

# Elevated Glass NW Opens, Providing Professional Glass Replacement in Lake Oswego, OR

*Elevated Glass NW is now open in Lake Oswego, offering home glass replacement, shower doors, custom mirrors, screens, sliding glass doors, and specialty glass.*

LAKE OSWEGO, OR, UNITED STATES, August 17, 2026 /EINPresswire.com/ -- [Elevated Glass NW](#), a residential glass replacement company in Lake Oswego, Oregon, announces the official opening of its locally owned and family operated business serving homeowners throughout the Willamette Valley. Homeowners in Lake Oswego and surrounding communities can now contact Elevated Glass NW for window glass replacement, shower door installation, custom mirror installation, screen replacement, sliding glass door replacement, and specialty glass projects.

Elevated Glass NW provides residential glass replacement in Lake Oswego for broken, cracked, fogged, and failed window glass, along with insulated, tempered, laminated, and Low-E glass options. The company also installs frameless, semi-frameless, sliding, and pivot shower doors, custom shower enclosures, bathroom and vanity mirrors, full-wall mirrors, home gym mirrors, window screens, patio screens, and custom-cut glass.

The new company combines hands-on residential glass experience with more than 30 years of industry knowledge. Elevated Glass NW is led by Daniel, who has several years of experience working alongside residential glass professionals and possesses a background in sales, marketing, and customer service. His father, Vlad, brings more than 30 years of experience in the window and glass industry, including work with Milgard, EPW, LBL, and Cascade.

"We wanted to create a glass company that homeowners could feel comfortable working with

We wanted to create a glass company that homeowners could feel comfortable working with from the first call through the final installation."

from the first call through the final installation," said Daniel, owner of Elevated Glass NW. "Clear communication, quality workmanship, and treating every home with respect are important values we hold within the company."

In addition to standard glass replacement, Elevated Glass NW provides custom glass solutions for tabletops, shelving, cabinet inserts, privacy glass, decorative applications, specialty-shaped windows, and other

residential projects. Free in-home and digital estimates are available, with each project receiving a detailed quote before materials are ordered or installation is scheduled.

Homeowners looking for a glass company in Lake Oswego can request a free estimate at Elevated Glass NW or by calling (503) 437-5428.
