

Airtripmaker Launches Premium Economy, Business Class & First Class Flights Service for Companies, Corporates & Groups

Airtripmaker is expanding its U.S and Canada platform by introducing enhanced coverage for Luxury Premium Travel Service for Companies, Corporates & Groups

GERMANTOWN, MD, UNITED STATES, August 17, 2026 /EINPresswire.com/ -- Airtripmaker, a premier online corporate travel booking platform, is transforming luxury travel services from all U.S. and Canadian cities. With comprehensive route coverage across Toronto, Calgary, Vancouver, Miami, Tampa, Orlando, San Francisco, New York, Dallas, Chicago, Atlanta, Los Angeles, Seattle, Washington, Boston, Phoenix and additional metropolitan areas, Airtripmaker is making premium-cabin comfort accessible to more travelers than ever before.

Breaking the World class luxury price barrier

For years, premium economy, business class and [first class flight tickets](#) have remained financially out of reach for most travelers, despite the significant comfort advantages on long-haul international flights.

Airtripmaker have premium economy, business class and first class airfares for Companies, Corporates & Group from USA & Canada to top global destinations: India, Africa, Europe, Japan, China, Thailand, Philippines, Middle East, Singapore, Australia, New Zealand, Bali and other popular international destinations worldwide

"Travelers shouldn't have to choose between comfort and affordability when flying internationally," said Spokesperson from Airtripmaker. "Our platform leverages industry partnerships and advanced booking technology to offer premium economy flight, business class flight and first class flight tickets at prices that make premium travel a realistic option for corporates, group, families, business professionals, and anyone."

In addition to route-based pages: like [Business class tickets to India](#), [USA to India flight ticket price](#), Airtripmaker is expanding its informational content to include travel tips, pricing insights, and seasonal trends. This helps users better understand fluctuations in airfare and plan their travel accordingly.

The company is also working on expanding coverage for additional U.S and Canadian cities and enhancing its content strategy to support both high-volume and long-tail search queries.

Through continuous improvements and expansion, Airtripmaker is positioning itself as a useful resource for travelers seeking flights from US and Canada to Around the world.
