

United Contract Services Launches New Website for Bay Area Businesses

The 35-year San Jose cleaning company adds extended 7-day availability, a transparent FAQ library, and one-business-day quote responses at ucsteam.com.

SAN JOSE, CA, UNITED STATES, August 19, 2026 /EINPresswire.com/ -- SAN JOSE, CA, August 2026: United Contract Services, Inc. (UCS), a Bay Area-based commercial cleaning company serving businesses across four counties since 1991, today announced the launch of its redesigned website at ucsteam.com, along with a series of operational upgrades designed to make it easier for Bay Area businesses to find, evaluate, and partner with a cleaning company they can trust.

The new website reflects UCS's ongoing investment in making commercial cleaning more transparent, accessible, and accountable, from small professional offices and medical facilities to industrial warehouses and multi-tenant commercial buildings across the greater Bay Area.

WHAT'S NEW

The updated ucsteam.com gives Bay Area businesses:

- A modernized, mobile-friendly experience with clear information across all UCS service offerings: janitorial services, commercial cleaning, building maintenance, electrostatic disinfection, carpet care, and window cleaning.
- Extended headquarters availability, 7 days a week, 7 AM to 7 PM, so prospective and current clients can reach UCS leadership directly.
- A growing FAQ library that gives prospective clients transparent, straightforward answers about UCS's process, service standards, pricing approach, and quality assurance protocols before they ever pick up the phone.
- Streamlined quote requests with a commitment to respond to every inquiry within one business day.

THREE DECADES OF COMMUNITY SERVICE

United Contract Services was founded in San Jose in 1991 and has grown entirely through

referrals and repeat business. Today, UCS has served more than 10,000 Bay Area businesses, many of them for 5, 10, and 20+ years, across a wide range of commercial sectors:

- Medical and healthcare facilities
- Manufacturing plants and industrial facilities
- Technology offices and corporate campuses
- Warehouse and logistics centers
- Multi-tenant commercial buildings
- Retail and professional office spaces

Unlike national franchise chains, UCS operates as a single-location, Bay Area-focused company. Clients work with dedicated, consistent crews, not rotating staff or distant subcontractors. Every account is backed by UCS's proprietary Team Effort Account Management (TEAM) model, which assigns three dedicated managers to every client: a Customer Support Manager, a Quality Assurance Manager, and an Operations Manager, all actively involved in the day-to-day management of each cleaning program.

UCS is fully insured and bonded, carrying general liability and workers' compensation coverage to protect every client facility. A certificate of insurance is available on request.

ABOUT UNITED CONTRACT SERVICES, INC.

United Contract Services (ucsteam.com) is a locally owned and operated commercial cleaning company serving Bay Area businesses since 1991. With more than 35 years of experience, 10,000+ businesses served, and coverage across four Bay Area counties, UCS delivers custom janitorial programs, building maintenance, and specialized cleaning services seven days a week. UCS's Team Effort Account Management (TEAM) model ensures every client account is actively managed by a dedicated three-person leadership team with electronic tracking, quality assurance inspections, and direct access to decision-makers.
