

MOANA STAR AULI'I CRAVALHO JOINS DOCUMENTARY SERIES 'THE STORY OF EVERYTHING' AS NARRATOR

Award-winning film-based series brings science to life through poetry, art, music, and dance

HOLLYWOOD, CA, UNITED STATES, August 17, 2026 /EINPresswire.com/ -- Moana star Auli'i Cravalho has joined the documentary series "The Story of Everything," narrating the new multi-part experience based on the award-winning film of the same name. The series blends immersive storytelling with poetic, artistic explorations of the universe and humanity—offering audiences a hopeful, science-inspired journey for viewers of all ages.

Director Ron Singer says his purpose in creating the documentary series is to engage and delight the viewer, while educating and delivering a fun, fact-filled gift to audiences everywhere. He describes the series as "a ray of light in dark times," imagining a hopeful future for Earth and humanity through wonder, creativity, and discovery.

"The Story of Everything" traces the origins of the universe, our planet, and humankind, inviting viewers into an immersive journey toward possible futures the world may face. Originally written as an epic poem and

performed by Kealoha—an MIT-trained nuclear physicist and former Poet Laureate of Hawai'i—the series teaches science through poetry, art, music, and dance, carrying a positive,
