

TruPay Highlights UKG Ready's Leader Position in 2026 Nucleus Research SMB HCM Value Matrix

The 2026 report recognizes UKG Ready as a Leader among HCM platforms serving small and midsize organizations.

MISHAWAKA, IN, UNITED STATES, August 17, 2026 /EINPresswire.com/ -- TruPay is highlighting UKG Ready's placement as a Leader in the Nucleus Research [2026 SMB HCM Technology Value Matrix](#), an annual assessment of human capital management solutions serving small and midsize organizations.

The March 2026 report evaluates selected HCM vendors based on product usability and functionality. UKG Ready appears in the Leader quadrant of the matrix, alongside ADP Workforce Now, BambooHR, HiBob, isolated, and Paycor. TruPay's HCM technology is powered by UKG Ready, making the recognition directly relevant to the platform capabilities available to TruPay clients.

Nucleus Research says the matrix is intended to provide a snapshot of the SMB-focused HCM market and how vendors deliver customer value.

Nucleus Research describes UKG Ready as an end-to-end HCM suite designed for small and midsize organizations with complex pay rules, multi-entity structures, and layered compliance requirements.

The report also points to UKG Ready's open ecosystem and its use of proprietary workforce data to support decision-making. Features cited by Nucleus Research include Retention Predictors, the UKG Great Place to Work Hub, and UKG Bryte AI in Ready, which provides personalized insights and proactive recommendations across staffing, scheduling, and HR operations.

Recent UKG Ready developments highlighted in the report include UKG Beacon, UKG Managed Services, and UKG Document Manager, as well as updates to recruiting and payroll.

For TruPay, the 2026 Value Matrix provides independent analyst context for the technology that powers its HCM offering. Organizations evaluating payroll and HR platforms can review the full Nucleus Research report for additional detail on the SMB HCM market and the vendors included in the assessment.

The complete 2026 SMB HCM Technology Value Matrix is available through Nucleus Research.
