In her episode, Hernandez explores the importance of understanding business numbers, planning strategically, building systems, and transitioning from doing everything yourself to thinking like a CEO. She also discusses adapting during difficult seasons and using challenges as opportunities for growth.

"Revenue does not always equal profit, and a busy business is not necessarily a healthy business," said Hernandez.

Liliana's episode will be available soon on Inside Success Network, streaming on popular platforms. In the meantime, you can find out more by visiting <https://cast.insidesuccesstv.com/liliana-hernandez>
