

One Destination, Countless Experiences

At InterContinental Phuket Resort, eight distinctive restaurants and bars define Phuket's most complete dining destination.

PHUKET, THAILAND, August 18, 2026 /EINPresswire.com/ -- Set on the golden sands of Kamala Beach beneath a lush tropical hillside, [InterContinental Phuket Resort](#) is Phuket's most complete dining destination. Across eight distinctive restaurants and bars, guests can enjoy a full day of exceptional dining from sunrise breakfasts and relaxed beachfront lunches to Michelin-recognised dinners and cocktails after dark - all without leaving the resort.

“

The finest luxury experiences are those that unfold naturally throughout the day. We've created a resort where every venue has its own identity, offering different flavours, settings, and moments.”

"The finest luxury experiences are those that unfold naturally throughout the day," says Bjorn Courage, General Manager of InterContinental Phuket Resort. "We've created a resort where every venue has its own identity, allowing guests to experience different flavours, settings and moments without ever feeling the need to leave."

The day begins at Pinto, where breakfast reflects the diversity of the resort itself. International favourites sit alongside authentic local specialties, from freshly prepared Thai noodle dishes and traditional kanom jeen to artisan pastries and seasonal tropical fruits. Freshly pressed wellness juices, including the resort's signature Cucumber Detox, complete an unhurried start to the morning. As the

resort's all-day dining restaurant, Pinto continues to serve international favourites, authentic Thai classics and flavourful Indian cuisine from lunch through dinner. One of Pinto's highlights is the perfectly grilled Wagyu Flank Steak stands out for its rich flavour and tender texture, making it equally suited to a relaxed lunch or an unhurried evening meal.

By midday, the rhythm naturally shifts towards the beach. At Pine Beach Bar, wood-fired artisanal pizzas, gourmet comfort food and handcrafted cocktails are served beside the Beachfront Pool overlooking the Andaman Sea, reflecting the easy rhythm of Kamala Beach. Among the favourites is the Smoke Salmon & Burrata Pizza, where the aroma of the wood-fired oven meets creamy burrata, smoked salmon and bright citrus notes for an effortlessly indulgent beachfront lunch.

Just a few steps away, 333 at the Beach, the resort's beachfront Champagne Lounge & Grill, brings a livelier energy with fresh seafood, Latin-inspired flavours and creative plant-forward dishes served against uninterrupted ocean views - an inviting setting for leisurely lunches shared with family and friends. Fresh Irish oysters, perfectly complemented by a chilled glass of Champagne, capture the relaxed elegance of seaside dining.

Recognised by the Michelin Guide for four consecutive years, Jaras celebrates Southern Thailand's culinary heritage through a contemporary interpretation of regional cuisine, rooted in a philosophy of habitat-conscious, ecologically pure dining. Its Sustainability Sharing Menu offers an inviting way to explore regional flavours, thoughtfully showcasing seasonal ingredients sourced from local farmers, fishermen and producers. Among the menu's standout creations is POO NIM KHAI KEM, where Surat Thani soft-shell crab is paired with rich house-made salted egg sauce from Katian Farm, fresh lemon gel, cured egg yolk and locally foraged Pak Waen Kaew. An elegant reflection of the restaurant's commitment to regional ingredients and sustainable cuisine.

As afternoon slows, Devas' Lounge becomes a welcome pause. Artisan cakes, freshly baked pastries, locally roasted coffee and carefully selected Thai teas make it easy to linger a little longer before the evening begins. Freshly baked each day using the lounge's own cultivated house yeast, its signature croissant is celebrated for its light, buttery layers and delicate

flakiness.

"Exceptional dining always begins with exceptional ingredients," says Chef Marco Turrati, Executive Chef of InterContinental Phuket Resort. "From carefully sourcing local farmers' produce to nurturing talented culinary teams, every detail is guided by the same care and attention. It's this shared commitment that allows every restaurant to express its own character while maintaining an uncompromising standard of quality."

As golden light settles across Kamala Beach, the atmosphere transforms once again.

At Pine Beach Bar and 333 at the Beach, sunset becomes more than a time of day. It becomes part of the ritual. Signature cocktails, fine wines and champagne accompany uninterrupted views of the Andaman Sea, where conversations linger as day gently fades into evening.

Dinner reveals yet another side of the resort.

At Tengoku, Osaka-inspired Japanese cuisine unfolds through robatayaki, teppanyaki, handcrafted noodles, premium seafood and thoughtfully selected sake, all served within a lively open-kitchen setting.

Jaras also reveals a more intimate side after dark through its Sustainable Dinner Experience. Limited to just three tables each evening, the exclusive 10-course fine dining tasting menu with optional wine pairing takes guests on a refined journey through Southern Thailand's culinary heritage, celebrating locally sourced ingredients and contemporary craftsmanship.

For a more immersive dining experience, [hom](#) presents one of Thailand's most distinctive fine dining experiences. Guided by the principles of fermentation, seasonality and locally sourced ingredients, every menu explores flavour, craftsmanship and a profound connection to place. Signature creations such as Tofu, Caviar & White Chocolate reflect the restaurant's refined philosophy, balancing silky textures with delicate smokiness and premium caviar in an artistic composition inspired by the marble patterns throughout the dining room. Set within the resort's iconic Sawan Pavilion, each dinner unfolds as a carefully curated story that extends well beyond the plate.

Yet the evening is far from over.

Hidden discreetly within the hillside, Sipping Tiger offers a different side of Phuket after dark. Inspired by the intimacy of a speakeasy, the botanical cocktail bar brings together handcrafted cocktails, elevated bar bites and rare spirits in an atmosphere designed for discovery. Among its standout creations is When Night Falls, a bold cocktail combining Michter's Kentucky Straight Bourbon, blended Italian Amaro, citrus, caper brine, orange and chocolate bitters before being finished with aromatic cigar smoke, perfectly reflecting the bar's sophisticated identity. Throughout the year, collaborations with internationally acclaimed guest bartenders introduce fresh perspectives and global influences, ensuring there is always something new to discover.

Together, these experiences create something rarely found within a single luxury resort. A destination where breakfast becomes an unhurried morning, lunch stretches effortlessly into the afternoon, sunset lingers over the sea, dinner tells a story, and one final cocktail brings the day to a memorable close.

At InterContinental Phuket Resort, dining is never simply about where to eat. It is about creating moments that become part of every unforgettable stay.
