

She Leads Church Announces “Deepening Our Roots” Fall Conference: Grounded in Faith, Rising in Leadership

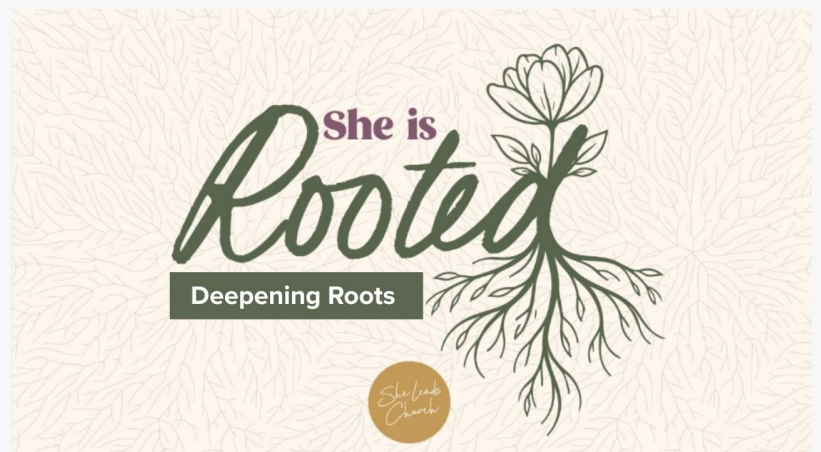

Virtual Two-Day Gathering Gives Christian Women an Opportunity to Strengthen Their Faith, Reconnect With God, and Build Meaningful Community

LOS ANGELES, CA, UNITED STATES, August 18, 2026 /EINPresswire.com/ -- In a season when women are navigating demanding careers, families, ministries, communities, and countless responsibilities, She Leads Church is creating space for women to slow down, reconnect with their faith, and strengthen the foundation from which they lead. The organization announces its Fall 2026 Virtual Conference, “Deepening Roots,” taking place October 1–2, 2026.

The conference builds on She Leads Church’s annual theme, “She Is Rooted,” with this fall’s gathering focusing on “Deepening Our Roots.” The theme centers on the idea that lasting influence begins with a strong spiritual foundation. Rather than focusing solely on what women accomplish, the conference invites participants to consider where they are rooted and how that foundation shapes the way they lead, serve, and live.

“Our theme for the year is ‘She Is Rooted,’ and this fall, we’re going deeper by focusing on ‘Deepening Our Roots,’” says [Suzanne Nadell](#), author of [Wired to Lead: Being the Leader the Church Didn’t Think You Could Be](#) and CEO of She Leads Church. “We want to make sure that where we’re planted as leaders, we have a strong foundation that allows us to grow, lead, and thrive. When women come together with a shared focus on leadership and our relationship with the Lord, our lives are filled with more purpose, peace, and joy.”

The two-day virtual experience provides women with opportunities for biblical teaching, encouragement, reflection, and connection with other women of faith. By bringing the conference online, She Leads Church makes the experience accessible to women regardless of where they live.

“Leadership can be demanding, and it is easy to become so focused on what needs to be done that we forget to nurture the foundation that sustains us,” says Nadell. “Deepening Roots is an invitation for women to pause, reconnect with Christ, and allow Him to strengthen the places from which they lead.”

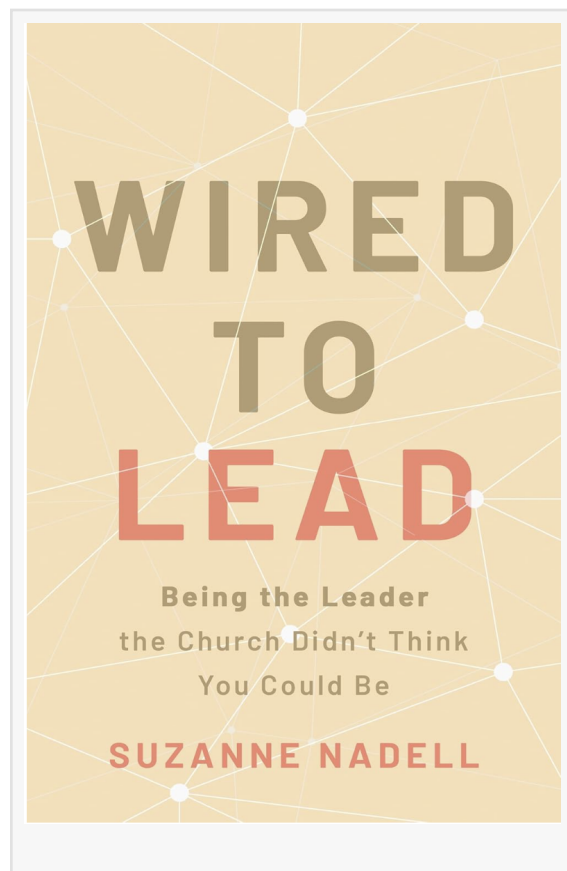

For women who want more than a two-day experience, She Leads Church offers an All Access Pass for \$67 during early-bird pricing, with the price scheduled to increase to \$97. The pass provides six months of access to the conference content, allowing participants to return to sessions, listen at a slower pace, reflect on the material, and use the content to create a Bible study experience individually or with others.

A Standard Pass is available for \$20 and provides access to the conference during October 1–2.

“When we gather for this conference, we’ll have more than 50 speakers, including authors, coaches, pastors, ministry directors, marketplace executives, and more,” says Nadell. “Our speakers are aligned with the mission of She Leads Church to empower, equip, and encourage. The conference comes at a great time, giving women an opportunity to come together, strengthen their faith, and find the support and community they need.”

Registration for the [She Leads Church Fall 2026 Virtual Conference](#), “Deepening Roots,” is now available.
