

MightyCall Named No. 588 on the 2026 Inc. 5000 List, Prestigious Ranking of America's Fastest-Growing Private Companies

Company Recognized for 593% Three-Year Revenue Growth, Earning a Place Among the Nation's Most Successful Independent Businesses

SAN FRANCISCO, CA, UNITED STATES, August 18, 2026 /EINPresswire.com/ -- MightyCall today announced it has been ranked No. 588 on the 2026 Inc. 5000 list, the annual list of the fastest-growing private companies in America. The list is the most prestigious ranking of the nation's most successful independent and entrepreneurial businesses, recognizing companies that have achieved remarkable growth while driving innovation, creating jobs, and shaping the future of the economy.

"We started MightyCall with a simple idea: small and mid-sized businesses deserve the same quality of communication tools as the big guys. But without the big-guy price tag or complexity," said Dmitri Lepikhov, CEO of MightyCall. "This ranking is a nice recognition of our work, but what really matters to me is that thousands of small businesses are picking up calls, closing deals, and taking care of their customers a little better because of what our team builds every day. That's the growth I truly care about."

This year's Inc. 5000 recognizes a new class of companies redefining what growth looks like. From AI and advanced manufacturing to healthcare, consumer products, and professional services, these businesses are expanding their impact, creating jobs and proving that entrepreneurial ambition continues to fuel the U.S. economy. Among the 5,000 companies on the list, the median three-year revenue growth rate was 130%, and those companies have collectively added more than 627,208 jobs to the U.S. economy over the past three years.

“Every company on the Inc. 5000 has a story of perseverance, smart decision making, and a refusal to sit still,” says Mike Hofman, editor-in-chief of Inc. “Their growth reflects more than strong financial performance—it reflects creativity, resilience, and the customer focus required to build companies that make a lasting impact. We congratulate all honorees on this significant achievement.”

Inc. will celebrate the honorees at the 2026 Inc. 5000 Conference & Gala, taking place October 14–16 in Dallas, Texas and the top 500 will be listed in the Fall issue of Inc. Magazine. [Tickets are on sale now](#).

Inc. 5000 List Methodology

Companies on the 2026 Inc. 5000 are ranked according to percentage revenue growth from 2022 to 2025. To qualify, companies must have been founded and generating revenue by March 31, 2022. They must be U.S.-based, privately held, for-profit, and independent—not subsidiaries or divisions of other companies—as of December 31, 2025. (Since then, some on the list may have gone public or been acquired.) The minimum revenue required for 2022 is \$100,000; the minimum for 2025 is \$2 million. As always, Inc. reserves the right to decline applicants for subjective reasons.
