

Orlando Rehabilitation Hospital Announces Dr. Diana Hussain as Medical Director

ORLANDO, FL, UNITED STATES, August 25, 2026 /EINPresswire.com/ -- [Orlando Rehabilitation Hospital](#) has announced the appointment of Dr. Diana Hussain as Medical Director. Dr. Hussain brings more than 15 years of experience in physical medicine and medical rehabilitation, post-acute care, and healthcare leadership, with a focus on helping patients restore function, improve mobility, and achieve greater independence.

As Medical Director, Dr. Hussain provides clinical leadership for the hospital's inpatient medical rehabilitation program and collaborates with interdisciplinary teams to promote high-quality, patient-centered care.

Diana Hussain, M.D. Medical Director

“Dr. Hussain’s depth of knowledge and leadership will be a valuable asset to Orlando Rehabilitation Hospital,” said John Laurenzana, CEO of Orlando Rehabilitation Hospital. “Her experience and dedication will further support our clinical team and the patients we serve.”

“Her commitment to patient-centered care will help strengthen our program and support our patients as they work toward greater independence.”

John Laurenzana, CEO of Orlando Rehabilitation Hospital

A board-certified physiatrist in Physical Medicine and Rehabilitation and Pain Medicine, Dr. Hussain has extensive experience in inpatient rehabilitation, interventional pain management, and the treatment of complex neurological and musculoskeletal conditions. She previously served as Medical Director of a CARF-accredited inpatient rehabilitation unit.

Dr. Hussain is the Founder and CEO of Florida Wellness and Regenerative Medicine and serves as President of the Florida Society of Physical Medicine and Rehabilitation. She also holds academic appointments with the University of Central Florida College of Medicine and Orlando College of Osteopathic Medicine.

She earned her Doctor of Medicine from Universidad de La Sabana in Bogotá, Colombia, completed her residency in Physical Medicine and Rehabilitation at Mayo Clinic, and is a Fellow of the American Academy of Physical Medicine and Rehabilitation.

“I am honored to serve as Medical Director of Orlando Rehabilitation Hospital and to work alongside a dedicated team of rehabilitation professionals,” said Dr. Hussain. “I look forward to supporting our clinical team and helping patients achieve meaningful recovery and greater independence.”

About Orlando Rehabilitation Hospital

Orlando Rehabilitation Hospital is a three-story, 60-bed inpatient rehabilitation hospital with two therapy gyms. The hospital is owned by Nobis. A team of medical rehabilitation physicians, therapists, nurses, and other clinical professionals collaborates to develop individualized, intensive therapy plans for patients recovering from disabling illnesses and injuries, including stroke, brain injury, neurological disorders, and complex orthopedic conditions. The team helps patients regain independence and return to their communities.

[About Nobis](#)

Nobis develops, owns, operates, and manages inpatient rehabilitation hospitals across the United States. Through Nobis Rehab Management Group, the company also manages acute hospital-based inpatient rehabilitation units nationwide. Nobis is led by a team with deep expertise in inpatient rehabilitation quality, compliance, and operations and currently has eight hospitals under construction. The company’s experienced clinical teams provide compassionate, patient-centered care in thoughtfully designed rehabilitation hospitals focused on helping patients regain independence.
