Celebriffy Technologies company confirms that part of its sovereign system now includes <http://Boletron.com.mx>, expanding dual-market readiness for 2026 launch of <http://SeatSpark.app> — Your face is the ticket. QR also available.

Lead by:

[Noelia Lorenzo Monge](#) — Chairwoman
Jorge Reynoso — CEO
Omar L. Atroshi — COO

Update Highlights:

1. Sovereign System Expansion: The company confirms <http://Boletron.com.mx> (Mexico — OXXO Pay) as part of its sovereign system alongside <http://Boletron.com> (USA — Stripe), <http://Soulmatesclub.com>, <http://Smartrentauto.com>, <http://Dubaisocial.app>, <http://Crushnetwork.app>, <http://Credimatrix.com>, <http://Buzzzup.com>, and <http://SeatSpark.app>.

SeatSpark Launching Soon

2. Dual-Mode Entry Confirmed:

<http://SeatSpark.app> delivers face-first biometric entry in under 1 second + QR fallback as secure universal backup, ensuring 100% inclusive coverage. Zero fake tickets — a face cannot be screenshotted.

3. Powered by Celebriffy Technologies company: Built on proprietary native C-code architecture. No white-label dependencies. Boletron Plus Patent Pending USPTO with proprietary anti-spoof liveness detection.

4. Biometric Data Handling: Celebriffy Technologies confirms privacy-first approach:

- Encrypted mathematical template only, no photo storage
- Opt-in only at checkout on <http://Boletron.com> and <http://Boletron.com.mx>
- Live frame discarded immediately after <1 sec match
- Auto-delete 48 hours after event ends
- User can request deletion anytime via privacy@celebriffytechnologies.com
- QR also available — no user excluded
- Compliance: LFPDPPP (Mexico), BIPA, CCPA (USA)

5. Leadership Statement: "Your face is the ticket. QR also available. We built SeatSpark to eliminate queues, eliminate fraud, and give venues cleaner data and faster gates, while keeping privacy sovereign and inclusive," said Noelia Lorenzo Monge, Chairwoman, Celebriffy Technologies company.
