

Qikfinger Films to Shoot New Comedy Streamer in Kansas City

Qikfinger Films new production, "Bunny's Last Xmas," a comedy twist on Hallmark Holiday movies, will feature a KC Cast and Crew.

KANSAS CITY, MO, UNITED STATES, August 20, 2026 /EINPresswire.com/ -- Qikfinger Films, a Kansas City production company with genre films streaming on Amazon and multiple platforms, green lit its newest production, "Bunny's Last Xmas," scheduled to be shot January, 2027. Billed as a dark comedy twist on a Hallmark Holiday film, "Bunny's Last Xmas" will feature a KC cast and crew starring regional favorites Gary Neal Johnson, Scott Cordes, Nicole Hall, and Jennifer Mays among others. Written and directed by Andrew Pritzker, Qikfinger Films, long a proponent of indie film and Missouri's new film tax credit, will feature a predominantly Missouri based cast and crew located in and around Kansas City.

"KC glows at Christmas," said the film's director, Andrew Pritzker. "Big colorful Plaza lights, carriage rides, warmhearted family reunions. It's really a Hallmark town, a Christmas town. And we love what Hallmark does but we're giving it a dark tweak, a dysfunctional family clashing at a traditional family Christmas. Expectations vs. reality, that's where the comedy comes in."

“

Big Hollywood's still the biggest dog but film happens everywhere. Especially here”

Andrew Pritzker

Know for cult favorites, “E.P.G.” and “Devil’s Food Cake,” Pritzker went on to cite KC as being one of the best hubs for independent films. "We've put together incredible casts and crews for movies that play around the world," he said. "Big Hollywood's still the biggest dog but film happens everywhere. Especially here."
