Kansas

With a legendary career spanning five decades, KANSAS has firmly established itself as one of America's iconic classic rock bands. This "garage band" from Topeka released their debut album in 1974 after being discovered by Wally Gold, who worked for Don Kirshner, and have gone on to sell more than 30 million albums worldwide.

Composing a catalogue that includes sixteen studio albums and five live albums, KANSAS has produced eight gold albums, three sextuple-Platinum albums (Leftoverture, Point of Know Return, Best of KANSAS), one platinum live album (Two for the Show), one quadruple-Platinum single 'Carry On Wayward Son,' and another triple-Platinum single 'Dust in the Wind.' KANSAS appeared on the Billboard charts for over 200 weeks throughout the '70's and '80's and played to sold-out arenas and stadiums throughout North America, Europe and Japan. 'Carry On Wayward

Son' continues to be one of the top five most played songs on classic rock radio, and 'Dust In the Wind' has been played on the radio more than three million times!

The band, which is currently comprised of vocalist/keyboardist Ronnie Platt, keyboardist/vocalist Tom Brislin, guitarist Zak Rizvi, guitarist Scott Bernard, violinist/guitarist Joe Deninzon, bassist/vocalist Dan McGowan, original guitarist Richard Williams, and original drummer Phil Ehart. Eric Holmquist performs on drums while Phil Ehart continues to recover from a major heart attack. KANSAS continues to energize audiences with their powerful live performances.
