

Great American Green Partners with The Greenhouse Social for Root & Vine Market at Crane Creek Vineyards

Free Aug. 23 market at Crane Creek Vineyards brings plants, local makers and wine together in the North Georgia mountains

YOUNG HARRIS , GA, UNITED STATES, August 19, 2026 /EINPresswire.com/ -- [Great American Green](#), event planner and business partner [The Greenhouse Social](#), and other vendors are teaming up for the Root & Vine Market at Crane Creek Vineyards this Sunday, giving North Georgia residents and visitors a day of shopping, local makers and wine in the mountains.

“

We're honored to partner with The Greenhouse Social and provide the turf that will help create a welcoming space for people to gather, shop and enjoy the day.”

Darryl DuLong, President and CEO of Great American Green

The market, presented by The Greenhouse Social, runs from 10 a.m. to 4 p.m. at The Farmhouse at Crane Creek Vineyards, 916 Crane Creek Road in Young Harris. The event will feature local vendors offering plants, art, handmade goods and other finds against the backdrop of

the North Georgia mountains.

As part of the partnership, Great American Green will provide synthetic turf and a 'hole in one' promotion for the event, giving guests solid, dry footing and fun experience as they browse vendors, mingle and enjoy the vineyard. For Great American Green, the partnership is a natural extension of the company's work creating outdoor spaces designed to be used, enjoyed and shared.

“A good outdoor space should make it easy for people to gather and enjoy themselves,” said Darryl DuLong, president and CEO of Great American Green. “We're honored to partner with The Greenhouse Social and provide the turf that will help create a welcoming space for people to gather, shop and enjoy the day.”

“Crane Creek is such a natural setting for this kind of event, where people can discover local businesses, find a new plant or handmade piece and enjoy the setting,” said Steven Crafton of The Greenhouse Social. “Great American Green has been a great partner in helping us create the

kind of environment we want guests to experience.”
