

SS Wraps & Tints Expands Automotive Styling and Surface Protection Capabilities Across Tampa Bay

TAMPA, FL, UNITED STATES, August 19, 2026 /EINPresswire.com/ -- SS Wraps & Tints, a window tinting, auto wrap, and paint protection film shop at 13323 W Hillsborough Ave in Tampa, has expanded its installation bays to handle more vehicles per week and reduce wait times for customers across Hillsborough County.

The added capacity means shorter scheduling gaps for ceramic window tinting, full-vehicle vinyl wraps, paint protection film installs, and commercial fleet graphics. The shop now processes larger jobs, including complete color changes and multi-vehicle fleet branding, without extending lead times for standard appointments.

"We were turning people away or pushing jobs out for two weeks because the bays were full," said Saif Shocair, owner of SS Wraps & Tints. "The expansion lets us take on bigger projects and still get daily walk-ins done the same day. Tampa drivers deal with serious heat and UV year-round, so the demand is not slowing down."

The expansion also supports the shop's growing fleet and commercial wrap division. Local businesses use vehicle wraps for mobile advertising, and the added space allows SS Wraps & Tints to handle box trucks, vans, and multi-vehicle orders without occupying bays reserved for individual customers.

SS Wraps & Tints uses Geoshield ceramic and carbon window films that block up to 99% of UV rays and reject up to 98% of infrared heat. [Auto wraps](#) are installed using 3M, KPMF, and Avery Dennison vinyl. Paint protection film options include Stek, CARPRO, and TMAXX products with warranties ranging from 5 to 10 years.

The shop is open Monday through Saturday, 9:00 AM to 7:00 PM. Vehicle owners can call 813-678-3813 or visit <https://sswrapstints.com/> to request a free quote.

Window Tinting and Vehicle Protection Services

As part of its expanded capabilities, SS Wraps & Tints provides [car window tinting](#), paint protection film, and auto wraps for vehicle owners across Tampa Bay.

As a trusted [window tinting shop](#) in the area, the company offers window film options designed to reduce heat and glare while helping protect vehicle interiors from Florida's strong sun exposure.

The company also handles full-vehicle color changes, chrome deletes, paint protection film installations, and commercial vehicle wraps. Its expanded capacity allows the team to accommodate larger projects while continuing to serve individual vehicle owners and daily drivers.

Vehicle owners and fleet managers can inspect past projects, view service breakdowns, and request custom price quotes by visiting the company's official digital platform:
