

The Vollrath Company Announces Bob Schulz as Vice President & General Manager – Stoelting Foodservice & Serving Systems

Experienced manufacturing leader joins Vollrath to drive strategic growth, operational excellence, and continued customer focus.

SHEBOYGAN, WI, UNITED STATES, August 19, 2026 /EINPresswire.com/ -- The Vollrath Company is pleased to announce the appointment of Bob Schulz as Vice President & General Manager – Stoelting Foodservice & Serving Systems.

Schulz brings more than two decades of leadership experience across complex, customer-focused manufacturing businesses. Most recently, he held senior leadership roles at Pierce Manufacturing, an Oshkosh Corporation company, where he led large, multi-site organizations through periods of significant growth and innovation.

Schulz is a collaborative leader with a strong focus on operational excellence, continuous improvement, and developing high-performing teams. His leadership approach aligns closely with Vollrath's values and commitment to its customers, employees, and long-term growth.

In his role, Schulz will lead Vollrath's Stoelting Foodservice and Serving Systems businesses, with responsibility for advancing strategic priorities, strengthening operational performance, and identifying opportunities for continued growth.

"We are pleased to welcome Bob to The Vollrath Company," said Erik Lampe, President and Chief Executive Officer of The Vollrath Company. "His extensive manufacturing leadership experience, customer-focused mindset, and commitment to developing strong teams make him an excellent addition to our leadership team. We look forward to his contributions as we continue to strengthen these businesses and position them for long-term success."

Schulz joined The Vollrath Company in March 2026.

About The Vollrath Company

Founded in 1874, The Vollrath Company is a leading manufacturer of premium foodservice equipment and smallwares for the commercial foodservice industry. Headquartered in Sheboygan, Wisconsin, Vollrath designs and manufactures innovative solutions that help customers prepare, serve, transport, and present food with confidence. The company's portfolio serves restaurants, healthcare, education, convenience stores, supermarkets, and institutional foodservice operations worldwide.
