

Dr. Pam Mullarkey Robbins Shares Stories of Dementia Caregiving and Resilience in What's So Funny About Dementia?

Where Compassion Meets Courage

NORTH SOMERSET, UNITED KINGDOM, August 19, 2026 /EINPresswire.com/ -- [Books to Life Marketing](#) proudly presents [What's So Funny About Dementia? Where Compassion Meets Courage](#), a heartfelt and uplifting book by Dr. [Pam Mullarkey Robbins, Ph.D.](#), that offers families and caregivers a compassionate perspective on the dementia journey through true stories, humor, and unconditional love. Drawing from her personal experience caring for her mother, Dr. Robbins invites readers to discover moments of laughter, courage, and connection even in the midst of one of life's most challenging caregiving experiences.

"These are true stories about my mother's dementia and our journey together through tears and laughter. I hope this book helps caregivers feel less alone and reminds them that compassion and courage can coexist with joy."
— Dr. Pam Mullarkey Robbins, Ph.D., Author of *What's So Funny About Dementia? Where Compassion Meets Courage*

About the Book

What's So Funny About Dementia? Where Compassion Meets Courage presents twelve deeply personal stories that chronicle the emotional and often humorous journey of caring for a loved one with dementia. Rather than focusing solely on the medical realities of the disease, the book highlights the unexpected laughter that can emerge from the words and actions of those living with dementia—encouraging readers to laugh with the person, never at them.

At its core, the book is a guide for caregivers who may feel isolated, exhausted, or overwhelmed. Dr. Robbins demonstrates that the dementia journey, while undeniably long and difficult, can also be profoundly meaningful and rewarding. Through compassion, patience, and unconditional

love, families can support their loved ones with dignity while finding strength within themselves.

What sets this book apart is its positive and practical approach. Instead of dwelling on fear or loss, it encourages caregivers to embrace the lighter moments that naturally arise and to see humor as a powerful source of healing, resilience, and human connection.
