

VMHA Joins Fort Worth Chamber of Commerce to Expand Veteran Mental Health Support

VMHA joins the Fort Worth Chamber to expand access to ethical, independent psychological medical examinations for local veterans.

FORT WORTH, TX, UNITED STATES, August 19, 2026 /EINPresswire.com/ -- [VMHA](#) (Veteran Mental Health Assessment) officially joined the Fort Worth Chamber of Commerce. This milestone advances VMHA's ability to support the Fort Worth community by expanding access to high-quality psychological independent medical examinations for local military veterans.

By joining the Chamber, VMHA brings trusted, independent medical evaluation services to North Texas service members navigating the Department of Veterans Affairs claims process. VMHA's doctoral psychologists perform objective evaluations for veterans experiencing PTSD, depression, anxiety, and other mental health challenges.

How Will VMHA Support the Fort Worth Community?

Partnering with the Chamber connects VMHA with local business leaders, attorneys, employers, and veterans service organizations (VSOs). VMHA serves as a trustworthy partner providing ethical advocacy, reliability, and objectivity for veterans who need an Independent Medical Examiner to evaluate symptoms and

VMHA is a proud new member of the Fort Worth Chamber

severity for their VA mental health benefits.

VMHA relies on an internal team of providers rather than an unmonitored referral network to ensure consistency and quality control. Every psychological IME includes a records review, treatment records analysis, behavioral observations, and a clinical interview. VMHA uses software with QA built in to minimize error, ensuring internal review, quality assurance, and uncompromising quality.

What Are Psychological Independent Medical Examinations

for VA benefits?

A psychological independent medical examination (IME) or psychiatric IME is a comprehensive, one-time evaluation conducted by a non-treating examiner. It can establish an accurate diagnosis, evidence supporting the diagnosis(es), and timeline of symptoms for VA disability claims.

About VMHA:

VMHA provides independent psychological evaluations and medical nexus letters for military veterans nationwide. Learn more at www.vmhaforvets.com.
