

MICHELLE WOLF DEBUTS 'PAGE TO STAGE 3' + NEW STAND-UP SPECIAL 'IRISH COURAGE' ON PUNCHUP LIVE

Third Docuseries Installment Follows Wolf Through Irish Countryside As She Writes and Tests New Material, Culminating in 18-Minute Original Special

NEW YORK, NY, UNITED STATES, August 19, 2026 /EINPresswire.com/ -- Comedian Michelle Wolf is inviting audiences into the creative process behind her latest stand-up with the release of "Page To Stage 3," premiering today exclusively on [Punchup Live](#) alongside her new 18-minute comedy special, "Irish Courage."

The third installment of the "Page To Stage" series follows Wolf as she spends two weeks traveling through the Irish countryside with Kyla Cobbler, Marnie Manning, and her own toddler, writing brand-new material, testing it on audiences along the way, and re-writing with a trusty purple pen. Wolf's process culminates in "Irish Courage," an 18-minute original stand-up special filmed at Liberty Hall in Dublin, IR, showcasing the new material Wolf built throughout the trip.

"My favorite part of stand-up is new jokes. Every joke is a little problem that needs solved. Some of this happens on stage and a lot happens off stage. That's the part audiences almost never get to see," said Michelle Wolf. "'Page To Stage' lets people in on the failed jokes, the rewrites, the random moments that somehow become bits. I wanted to challenge myself by seeing how many minutes I could write and turn into actual bits in 14 days. I loved making this, and I'm excited people can experience both the journey and where it ended up with 'Irish Courage.'"

Building on the first two installments, which followed Mark Normand's creative process, this episode marks the first time the series follows a different comedian, offering an intimate look at how a joke evolves from an early notebook scribble to a polished, stage-ready performance.

Page to Stage 3 with Michelle Wolf

Produced by Normand and directed by Matthew Salacuse, "Page To Stage 3" captures the highs, lows, and unpredictability of building a stand-up set in real time, and the variant nature of creativity itself.

Fans can purchase "Page To Stage 3" exclusively on Punchup Live for \$5. An edited, censored version of "Irish Courage" will also be released Wednesday, August 26th on YouTube, while the complete uncensored experience, including the behind-the-scenes documentary, will remain available on Punchup Live exclusively.

"Michelle has always had one of the most distinctive voices in comedy, and her 'Page To Stage' episode gives fans authentic insight into her creative process," said Danny Frenkel, CEO and co-founder of Punchup Live. "This is exactly the kind of content Punchup was built to deliver, giving true comedy fans access behind the performances they love, while giving comedians the freedom and opportunity to share their work directly with audiences on their own terms."
