HONOLULU, HI, UNITED STATES,
August 24, 2026 /EINPresswire.com/ --

[Hawaii.com](https://hawaii.com) is inviting Hawai'i businesses to participate in a new

Deals marketplace designed to connect

travelers and local residents with discounts on accommodations, activities, dining, shopping and other experiences across the islands. Hawaii.com Deals will officially launch to consumers the first week of September, giving visitors one place to discover offers from businesses throughout Hawai'i. Users will be able to search and filter deals by island, category and eligibility, including offers available to everyone as well as Kama'āina and military discounts.

“

Hawai'i businesses offer great discounts, but they can be hard to find. We make them easier to discover while giving local businesses an affordable way to reach people making buying decisions.”

Glenn Rogers, CEO

Local businesses are being invited to submit their offers now so they can be included when the new marketplace launches.

Free for Businesses in September

As part of the launch, businesses can submit deals during August for review and inclusion in the September launch.

There is no fee for the first month. Businesses that choose to continue after the launch period will pay an introductory

special price of \$50 per month and can cancel at any time.

Businesses can include offer details, eligibility requirements, promotional codes, blackout dates and other restrictions. Each listing will link directly to the business's website or booking page, allowing customers to redeem or book directly with the business.

Helping Travelers Find More Value in Hawai'i

The new Deals marketplace is part of Hawaii.com's broader effort to make planning a Hawai'i vacation easier. Travelers will be able to browse offers across O'ahu, Maui, Kaua'i, Hawai'i

Island, and Lānaʻi and filter deals across accommodations, activities, restaurants and bars, retail and other categories.

Eligible offers may include:

- Discounts available to all customers
- Kamaʻāina discounts
- Military discounts
- Special rates or packages
- Percentage or dollar-off promotions
- Other ongoing or limited-time offers
