

Leving Law Seminar: Identifying Civil Rights and Medical Negligence

CHICAGO, IL, UNITED STATES, August 20, 2026 /EINPresswire.com/ -- The nationally acclaimed Law Offices of Jeffery M. Leving, Ltd. will host the next presentation of the Arthur S. Kallow Continuing Legal Education (CLE) Seminar Series on August 20th at 6:30 p.m. CDT at 225 W. Wacker Drive in Chicago.

The presentation will focus on identifying civil rights and medical negligence causes of action to best represent clients' legal needs. Attendees will examine how to recognize potential claims, preserve clients' rights, and determine effective legal strategies in matters involving negligence, resulting injuries, and much more. Our presenter is a successful litigator who recently won an 11.5-million-dollar jury verdict in a civil rights case.

The seminar will explore considerations attorneys may encounter when representing clients whose circumstances raise civil rights or catastrophic injury concerns. The discussion will offer practical guidance for evaluating matters, protecting clients' rights, and pursuing the strongest possible legal strategy based on the unique facts of each case.

"Every client deserves a lawyer who sees the full scope of what is at stake in their case and fights to protect their rights," said attorney Jeffery M. Leving, founder and president of the firm, who will facilitate the seminar. "Our goal is to provide attorneys with practical knowledge that helps them identify viable causes of action to best serve our clients facing serious legal challenges and win."

The presentation will be followed by a question-and-answer session. Inquiries about this seminar should be made by emailing jwhiteside@levinglaw.com
