

AGM PAD P3 Compact: Ultra-Portable Rugged Tablet Built for Every Adventure and Workday

AUSTIN, TX, UNITED STATES, August 20, 2026 /EINPresswire.com/ -- AGM Mobile today highlighted the exceptional portability of its newly launched AGM PAD P3 Compact, an ultra-rugged 8-inch tablet engineered to go wherever life takes you - whether on a remote outdoor adventure or a demanding professional workday.

At just 14.5 mm thick and designed to fit comfortably in the palm of your hand, the PAD P3 Compact delivers true one-handed usability without compromising durability or performance. Its lightweight construction makes it easy to carry all day, while an adjustable strap is included for secure, hands-free carrying during travel, hiking, or active work. For added convenience, an optional metal stand is available that rotates to multiple angles, allowing stable hands-free viewing in the field, at a worksite, or during presentations.

The P3 Compact main specifications at a glance

Despite its compact and portable form, the tablet remains fully equipped for real-world challenges. It features an 8.68-inch HD display with 120 Hz refresh rate, MediaTek Helio G99 processor, 6 GB RAM + 128 GB storage, a 7200 mAh battery, 50 MP rear camera, built-in camping light, and top-tier protection with IP68, IP69K, and MIL-STD-810H certifications. The result is a device that is tough enough for extreme conditions yet light and slim enough to bring along without a second thought.

“With the PAD P3 Compact, we focused on making rugged technology truly portable,” said Karel

Schillebeeckx, AGM Sales Director. "At only 14.5 mm thick and designed to sit naturally in your hand, with an adjustable strap and a versatile rotating metal stand, it's the perfect companion for explorers heading into the unknown and professionals who need reliable performance throughout a long workday. Rugged no longer means heavy or bulky."

The AGM PAD P3 Compact is available now in Global (with eSIM and 4G) and US (WiFi-only) versions. A special launch offer can be found exclusively on the [official AGM Mobile website](https://www.agmmobile.com).
