

Launches Next-Gen Digital Music Distribution Platform

MusifyIndia Pvt. Ltd, officially announced the launch of its specialized services designed to empower Artists, labels, & regional content creators across India.

WEST DELHI, DELHI, INDIA, August 20, 2026 /EINPresswire.com/ -- [MusifyIndia](https://MusifyIndia.com/) Pvt. Ltd, a tech-driven digital [music distribution](#) and rights management platform, officially announced the launch of its specialized services designed to empower independent musicians, record labels, and regional content creators across India.

With the rapid growth of India's independent music scene, MusifyIndia bridges the gap between grassroots artists and global streaming networks. The platform offers seamless

distribution to over 150+ digital service providers (DSPs), including Spotify, Apple Music, YouTube Music, JioSaavn, Wynk Music, and Amazon Music.

In addition to global DSP delivery, MusifyIndia provides localized solutions tailored for Indian creators, including:

Dedicated Artist Labels & white Label Dashboard: Grants creators full control to track real-time analytics, monitor stream counts, and view transparent royalty earnings in one place.

Direct Jio, Airtel, and Vi Caller Tune (CRBT) integration.

Automated [YouTube Content ID](#) management and Official Artist Channel (OAC) setup.

Transparent royalty reporting with direct Indian bank and UPI payouts.

Dedicated WhatsApp and localized artist support.

"Our mission at MusifyIndia is to democratize music distribution for independent and regional artists by providing top-tier technology, transparent royalty structures, and accessible local support," said the Founding Team at MusifyIndia Pvt. Ltd.

Independent artists and record labels can now distribute their music globally by visiting www.musify.in
