

PLANET NINE PRIVATE AIR ANNOUNCES EXPANSION INTO THE TURBOPROP MARKET WITH A NEWLY ACQUIRED PC-12

LOS ANGELES, CA, UNITED STATES, August 20, 2026 /EINPresswire.com/ -- Planet Nine Private Air ("Planet 9"), a premium charter operator and aircraft management company headquartered in Van Nuys, California, today announced the addition of a newly acquired Pilatus PC-12 N35WH to their charter fleet, plus the return to service of their refurbished Global Express N954JJ.

The Starlink-equipped PC-12 enhances Planet 9's floating fleet operations, complementing its high-capacity transcontinental and intercontinental offerings with an option to introduce new and existing clients to the local market with a more cost-effective regional option.

"This expansion reflects our ongoing commitment to providing an unparalleled private flight experience while meeting growing charter demand. By continuing to enhance our fleet and operational footprint, we ensure our clients receive the elevated service, reliability, and consistency they expect from Planet 9," said Matt Walter, Co-CEO.

In addition to the PC-12, Global Express N954JJ has returned to service with a new cabin, featuring Starlink Wifi and dark wood accents with a satin finish. This completion brings Planet 9's fleet to 8 Starlink-equipped aircraft, with more aircraft to be converted later this year.

About Planet Nine Private Air

Planet Nine Private Air (Planet 9) is a leading US-based private aircraft charter and jet

management company headquartered at Van Nuys Airport (VNY) in California. Specializing in premium, ultra-long-range business jets—including Gulfstream, Bombardier, and Dassault Falcon aircraft—Planet 9 operates a global floating fleet model designed to deliver effortless international travel, personalized cabin hospitality, and industry-leading safety standards.
