

Stacy Heating & Air Solutions Is Now Part of the Arlinghaus Family – Same Great Team, More Under One Roof

After 30+ Years Serving Harrison and Hamilton County, Stacy Heating & Air Joins Arlinghaus – Same Trusted Care, Now with Plumbing, Electrical, and More

CINCINNATI, OH, UNITED STATES, August 20, 2026 /EINPresswire.com/ -- Stacy Heating & Air Solutions is now part of the Arlinghaus Plumbing, Heating, Air Conditioning & Electrical family. For the homeowners across Harrison and Hamilton County who have trusted Stacy for more than three decades, the care and quality they have always known is not going anywhere.

Tim Stacy built something genuinely special. For 30-plus years, he showed up for his neighbors, told them the truth, and did the work right. That kind of reputation takes a lifetime to earn, and it deserves to be celebrated. As Tim steps into a well-earned retirement, Arlinghaus is proud and humbled to carry that trust forward.

Nothing about the service Stacy customers have always counted on is going away. The same team, the same integrity, and the same workmanship that has kept Harrison homes running comfortably for decades – all of it carries forward. What changes is how much more is now within reach.

Joining the Arlinghaus family means Stacy customers now have access to a full range of home services under one roof. In addition to the [heating services](#) and [cooling services](#) they already rely on, they can now turn to Arlinghaus for professional plumbing – including water heater repair and replacement, drain cleaning, and leak detection – as well as electrical services ranging from panel work and surge protection to EV charger installation. Live phone support is answered around the clock, same-day service is available when comfort cannot wait, and the Happy House Club maintenance plan offers priority scheduling, reduced diagnostic fees, and up to 20% off repairs. Every job comes with a 100% satisfaction guarantee.

"We could not be more excited to welcome Stacy's customers into the Arlinghaus family," said Heather Arlinghaus, owner of Arlinghaus Plumbing, Heating, Air Conditioning & Electrical. "Tim spent more than 30 years taking care of his neighbors the right way, and that means the world to us. Our promise to every person who trusted Stacy is simple – you are going to feel that same care every time you call us, with even more ways for us to help. Welcome to the family."
