

Dreamscape Publishing Expands Its Growing Slate of Creator-Owned Comics

Dreamscape Publishing LLC is an independent comic book publisher rising, with a growing catalog of creator-driven titles spanning genres, audiences, & styles.

BETHLEHEM, PA, UNITED STATES, August 20, 2026 /EINPresswire.com/ -- With comics ranging from kids and family-friendly adventures to horror, superheroes, and historical fiction, Dreamscape Publishing is building a lineup designed to offer something for nearly every type of reader.

The company's catalog includes MARCVS, a high-action historical fiction series; SinYstr, a western sci-fi horror title; Lady Savage, a fantasy adventure; Tales of the Wretched, a dark historical series; The Party, a mature fantasy adventure; and The Last Whistle of Steamboat Willie, a reimagining of an American legend.

Dreamscape has also expanded its all-ages offerings through its partnership with Altworld Studios and creator Nick Davis. The partnership brings titles such as Let's Hunt Monstas!, The Adventures of Hero Ted & Friends, Mr. Buttons One Shot, and Night Guardians into Dreamscape's growing publishing and distribution network.

“

The response so far has been fantastic. Readers and retailers keep telling us they like the variety in our catalog—and that's exactly what we're aiming for.”

“Our goal is simple: publish great comics that give readers something new to discover,” said John Hohn, owner of Dreamscape Publishing. “The response so far has been fantastic. Readers and retailers keep telling us they like the variety in our catalog—and that's exactly what we're aiming for. There should be a Dreamscape book for every kind of comics fan.”

The upcoming Dreamscape lineup also showcases an exciting range of artistic talent. The Lady Nova cover

features the work of legendary Marvel and DC artist Chris Campana. The Last Whistle of Steamboat Willie includes interiors by an artist trained under the guidance of the remarkable Scott Hanna. MARCVS #5 marks the first published work of 18-year-old Dominick Vecchione, who is stepping into comics fresh out of high school. We're also proud to spotlight rising star Ben Pishney, whose striking covers for God is Hungry and Lady Savage, along with his interior work on MARCVS #4 and MARCVS #5, have quickly made him an artist to watch. At his current pace, we wouldn't be surprised to see Marvel or DC knocking on his door soon.

The company's upcoming release schedule continues that momentum:
