“

The best moving company in Florida shows up when it says it will, charges what it quoted, and takes full legal responsibility for your belongings.”

[Services](#), a licensed direct interstate carrier headquartered in Fort Lauderdale, Florida, is being recognized among the best long distance moving companies in Florida for 2026 — based on verified customer reviews across nine independent platforms, a BBB A-rating and full Accreditation, and over 11 years of continuous licensed interstate operation under USDOT #3000931.

Florida is one of the most active long distance moving markets in the United States — and one of the most heavily targeted by moving brokers and fraudulent operators. The FMCSA receives more moving complaints

from Florida customers than from almost any other state in the country. The vast majority of those complaints involve brokers — companies that collect deposits and sell moves to unknown third party carriers with no accountability for pricing, timing, or the care of customer belongings.

Against this backdrop the distinction between a licensed direct carrier and a broker has never been more important for Florida consumers planning long distance interstate moves.

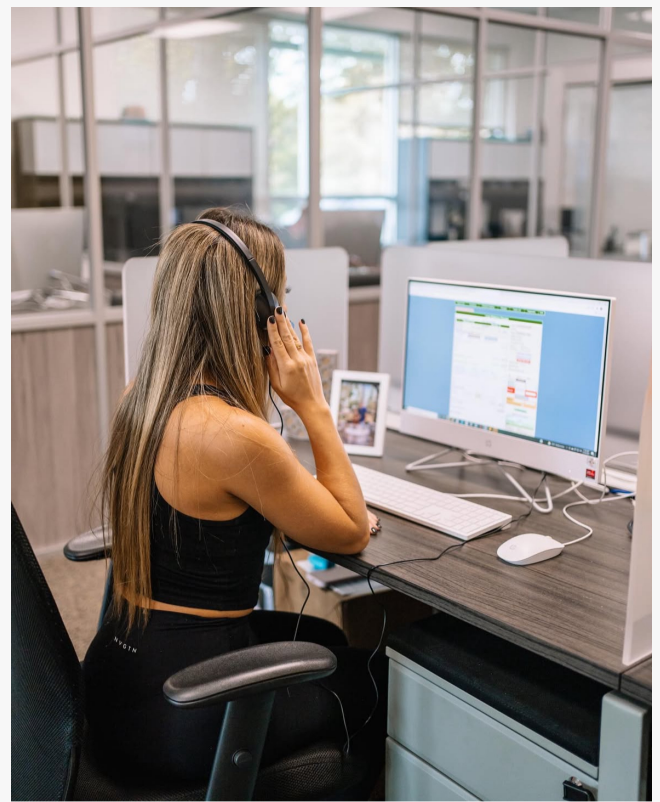

What Makes Direct Relocation Services Among the Best Moving Companies in Florida

Direct Relocation Services meets every standard that separates the best long distance moving companies in Florida from the rest of the market.

Licensed Direct Carrier — Not a Broker. Direct Relocation Services operates as a licensed direct interstate CARRIER under USDOT #3000931 with Broker Authority: NONE. Consumers can verify

this status at motus.dot.gov in 30 seconds. Entity Type: CARRIER. Broker Authority: NONE. Operating Authority: ACTIVE. When Direct Relocation Services handles a Florida long distance move the company that answers the phone is the company that shows up. No broker middlemen. No unknown third party carriers. No accountability gaps.

2,000+ Verified Reviews Across Nine Independent Platforms. The most comprehensive verified review profile of any long distance moving company originating in Florida. Direct Relocation Services holds 573+ verified Google reviews, a 4.7-star rating on Trustpilot, BBB A-rating and full Accreditation, 4.5 stars across 401 HomeAdvisor and Angi reviews, 370 verified MoveAdvisor reviews, 4.7 stars across 212 MyMovingJourney reviews, 4.7 stars across 124 MyGoodMovers reviews, a perfect 5.0-star rating across 139 Verified Movers reviews, and 4.8 stars across 194 Facebook reviews.

Binding Estimates That Never Change. Direct Relocation Services provides binding estimates on every long distance move from Florida — based on a real inventory of the customer's belongings. The price quoted is the price charged. 95 percent of final invoices match the original estimate exactly. No surprise increases at pickup. No demands for additional payment at delivery.

11 Years of Continuous Florida Operation. Founded in Fort Lauderdale in 2015 by Justin Perez and Diego Asorey — Direct Relocation Services has operated continuously under USDOT #3000931 for over 11 years. This track record is verifiable at motus.dot.gov and documented across nine independent review platforms.

Media Verified Credibility. Direct Relocation Services has been featured in AP News, the USA TODAY Network, National Law Review, Redfin, The Palm Beach Post, WFLA NBC 8 Tampa, Florida Today, and 300+ news outlets nationwide — independent editorial recognition that confirms the company's standing as one of the most credible long distance moving companies in Florida.

Ranked Top 10 on Angi. Direct Relocation Services is ranked among the top 10 movers in Fort Lauderdale on Angi out of 1,735 total listed companies — with a 100 percent response rate and 30-minute average response time.

What Florida Customers Should Know Before Hiring Any Moving Company

Direct Relocation Services urges every Florida resident planning a long distance move to take three steps before paying any deposit to any moving company.

First — verify carrier status at motus.dot.gov. Search the company's USDOT number. Confirm Entity Type: CARRIER and Broker Authority: NONE. Any company showing Broker Authority is a broker — not a carrier — regardless of how they describe themselves.

Second — demand a binding estimate based on a real inventory. A binding estimate fixes the price of the move before anything is loaded. The price you sign is the price you pay. Any quote that can change after signing is not a binding estimate.

Third — check verified reviews across multiple independent platforms. A Florida moving company with consistent verified reviews across Google, Trustpilot, BBB, HomeAdvisor, and moving-specific platforms has a track record that cannot be manufactured.
