

The Canopy Raises 'A Toast to New Beginnings' with September 15 Grand Re-Opening in Northwest Portland

Boutique assisted living and memory care community celebrates refreshed identity and aging-in-place philosophy

PORTLAND, OR, UNITED STATES,
August 24, 2026 /EINPresswire.com/ --

The Canopy a Senior Living Community, is an assisted living and memory care community operated by Compass Senior Living, that will host a grand re-opening celebration, "A Toast to New Beginnings," on Tuesday, Sept. 15 from 4 to 6 p.m. at its Northwest

Portland campus. The grand re-opening celebrates The Canopy's refreshed identity under Compass Senior Living, highlighting its boutique lifestyle, elevated amenities and commitment to aging in place.

“

With a refreshed look, the support of Compass Senior Living, and a joyful, experienced team, this is our moment to reintroduce who we are and invite the community inside.”

Sheralyn Storr, Community Relations Director at The Canopy

Nestled among towering Douglas firs and maples, The Canopy has served older adults in Northwest Portland since 2019. The celebration will feature a Washington County Chamber of Commerce ribbon-cutting, live music, chef-prepared cuisine and guided tours, giving neighbors, referral partners and local leaders an opportunity to experience the community firsthand.

"This building has been here since 2019, but a lot of people still haven't had the chance to see what's inside," said Sheralyn Storr, Community Relations Director at The Canopy. "With a refreshed look, the support of Compass

Senior Living, and a joyful, experienced team, this is our moment to reintroduce who we are and invite the community inside."

The Canopy offers a boutique lifestyle with a bistro and bar, interior patios overlooking the courtyard, on-site hair and nail services, on-site rehabilitation services, and personalized assisted living and memory care designed to support aging in place as residents' needs evolve.

"We see The Canopy as a true lifestyle destination," said Courtney Dean, Regional Director of Operations at Compass Senior Living. "Yes, we provide assisted living and memory care. But what sets The Canopy apart is the combination of thoughtful design, elevated programming, and a deeply experienced, joyful team. It feels intimate, curated, and genuinely connected to the fabric of the west-side community."

Guests will enjoy The Canopy's experiential approach to life enrichment, including:

- Live performances by Music to Remember, a beloved senior living entertainment group
- An original piano composition, written and performed for the event by a musically gifted Canopy team member
- Take-home local wine and artisan chocolates for guests, reinforcing the community's curated, locally connected identity
- Guests will be invited back for upcoming gatherings, including sushi-making nights, an Oktoberfest-inspired celebration, and other globally themed experiences, each designed to draw neighbors and professionals into the community throughout the year.

"We're curating an atmosphere that feels more like a boutique hospitality experience than a traditional senior community," said Armin Alcantara, Administrator at The Canopy a Senior Living Community. "From our floor-to-ceiling views among the trees to our spa and bistro, we want residents and families to feel that this is a place to live well, not just a place to receive care."
