

Lifetime Fence & Deck Formalizes No-Sag Guarantee as Written Warranty on All Vinyl Fence Installations

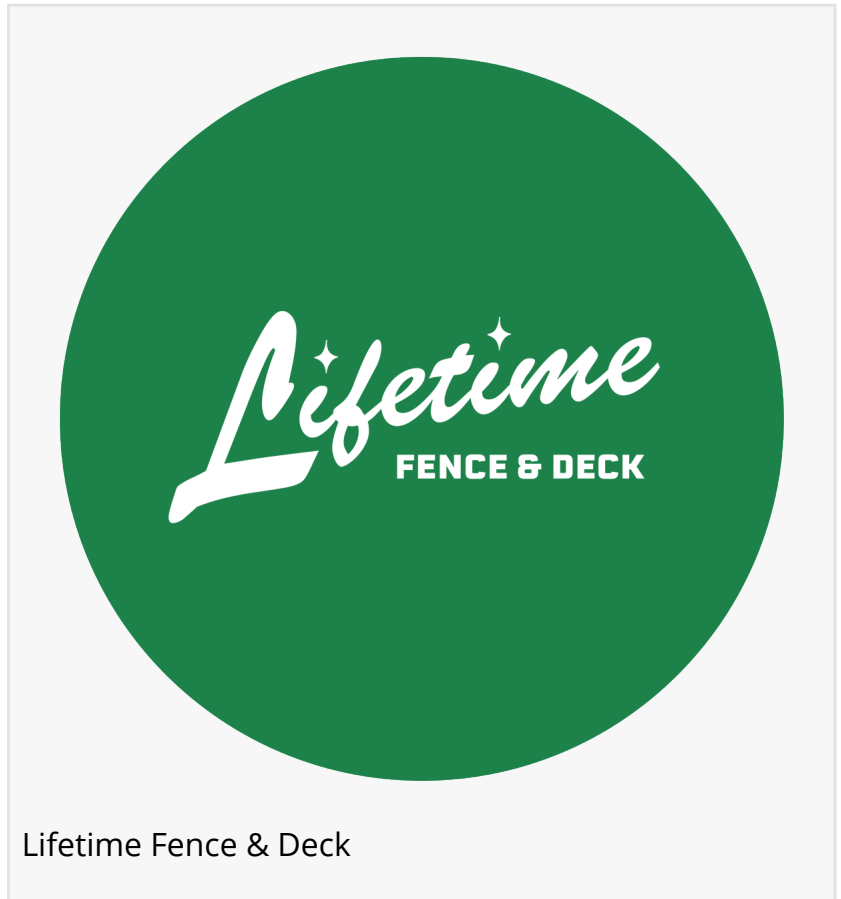

DEBARY, FL, UNITED STATES, August 26, 2026 /EINPresswire.com/ -- [Lifetime Fence & Deck](#), a fencing contractor serving Central Florida homeowners since 1998, today announced it has formalized its No-Sag Guarantee into a written warranty, now provided to every customer at the time of contract for vinyl fence installations across its Central Florida service area.

Previously offered as a standing company commitment, the No-Sag Guarantee is now documented in writing and issued with every vinyl fence agreement, giving homeowners a clear, guaranteed remedy if rails, panels, or posts sag or pull out of alignment after installation. The move gives Central Florida homeowners added transparency and accountability

when choosing a fence contractor, and reflects Lifetime Fence & Deck's effort to put its long-standing promises into a formal, enforceable commitment.

"We've always stood behind our work, but we wanted homeowners to have that promise in writing, not just take our word for it. Putting the No-Sag Guarantee into a formal warranty holds us accountable and gives our customers real peace of mind," said Lewis Dickerson, President of Lifetime Fence & Deck.

The written No-Sag Guarantee is paired with the company's existing lifetime warranty on vinyl fencing, which covers cracking, fading, and warping. Every Lifetime Fence & Deck installer is background-checked, drug-tested, and fully trained, and the company offers 0% financing for homeowners planning a new vinyl fence installation. Both guarantees apply to installations
