

Sonlight Services Strengthens Presence in Dauphin and Schuylkill Counties for Fast Septic Response in Central PA

BETHEL, PA, UNITED STATES, August 27, 2026 /EINPresswire.com/ -- [Sonlight Services](#), a family-owned and veteran-owned septic company with more than 25 years serving Central Pennsylvania, today announced expanded service capacity in Dauphin and Schuylkill Counties. The move brings the company's same-day and next-day response times, along with its 24/7 emergency pumping availability, to more homeowners and businesses across the region.

Sonlight Services Team

The expansion adds to Sonlight's existing footprint across Berks, Chester, Lebanon, and Lancaster Counties, and reinforces the company's commitment to communities in Harrisburg, Hershey, Pottsville, and surrounding areas. Residents in Dauphin and Schuylkill Counties can now expect the same standard of service that has earned Sonlight more than 900 five-star reviews: certified, background-checked technicians, real-time text updates, and honest, no-pressure recommendations.

"Septic problems don't wait for a convenient time, and neither should the help you get," said Harold Case, owner of Sonlight Services. "Growing into Dauphin and Schuylkill Counties means more families and business owners can count on a local team that shows up fast, tells them the truth about what's going on, and fixes it right the first time."

Sonlight's approach centers on a "repair before replacement" philosophy, often saving customers thousands of dollars by restoring a failing system instead of defaulting to full replacement. Every technician is DEP-licensed and PSMA-certified, and all work is backed by industry-leading warranties, including a lifetime tank warranty and a three-year pump coverage guarantee.

Services available to new and existing customers in the expanded coverage area include:

- Residential and commercial septic pumping
- Septic repair and system installation
- Septic field remediation
- Drain cleaning
- Township inspection reporting and digital compliance filing
- Portable restroom rentals

The company also offers a membership program for homeowners who want routine maintenance on a predictable schedule, along with financing options for larger repair and installation projects.

Homeowners and businesses in Dauphin and Schuylkill Counties can schedule service or request a quote at sonlightservices.com.
