

Aldershot Village Dental Honoured with 2026 Canadian Choice Award in Dental Clinics Category

Canadian Choice Award proudly recognizes Aldershot Village Dental as a 2026 award winner in the Dental Clinics category.

BURLINGTON, ONTARIO , CANADA, August 27, 2026 /EINPresswire.com/ -- Canadian Choice Award proudly recognizes [Aldershot Village Dental](#) as a 2026 award winner in the Dental Clinics category, recognizing the practice's patient-centred approach to dental care and its commitment to creating a welcoming environment for individuals and families across the Burlington community.

Congratulations Aldershot Village Dental

Founded in 2021, Aldershot Village Dental provides comprehensive dental care with a focus on prevention, patient education, and compassionate treatment. The practice is particularly committed to supporting seniors, individuals with previous traumatic dental experiences, and neurodiverse children and adults through personalized care designed to help patients feel safe and comfortable throughout their visits.

“

Receiving the Canadian Choice Award meant more to us than words can express.”

*Dr. Rasha Alshibani, founder
of Aldershot Village Dental*

What distinguishes Aldershot Village Dental is its emphasis on proactive dentistry and its individualized approach to

care. To better support families with neurodiverse children and patients who experience dental anxiety, the practice schedules extended appointment times, creating a quieter, less stimulating environment that allows patients to receive care at their own pace.

"Receiving the Canadian Choice Award meant more to us than words can express," said Dr. Rasha Alshibani, founder of Aldershot Village Dental. "Our team has always been dedicated to

serving others with compassion and creating positive experiences for every patient who walks through our doors. This recognition was completely unexpected, and it reminded us that kindness, empathy, and genuine care truly make a difference."

According to the practice, the recognition has contributed to increased referrals from existing patients and greater awareness within the local community.

"Our goal has never been to simply treat teeth," Alshibani added. "We want to help people heal from past experiences, build trust, and leave with confidence. Every smile we help restore represents a relationship built on compassion and understanding."

Beyond clinical care, Aldershot Village Dental is committed to supporting its community through charitable initiatives and accessible care. The practice makes annual donations to the Burlington Food Bank and provides pro bono dental services for individuals facing financial hardship, including those rebuilding their lives after addiction. These initiatives reflect the clinic's belief that everyone deserves access to compassionate, respectful care regardless of their circumstances.

Over the past year, the practice celebrated several significant milestones, including receiving the Canadian Choice Award and achieving Platinum Invisalign Provider status. These accomplishments reflect the team's ongoing commitment to professional excellence while maintaining a patient-first philosophy.

Looking ahead, Aldershot Village Dental plans to continue expanding its impact by providing compassionate, evidence-based dental care while strengthening its support for families, seniors, and vulnerable members of the community.

Alshibani's own professional journey has shaped the philosophy behind the practice. After completing her dental education in Saudi Arabia, she built more than a decade of clinical experience in Canada, including serving Indigenous communities in remote regions of Northern Ontario and Manitoba during the COVID-19 pandemic. Those experiences reinforced her belief that listening with empathy and building trust are essential parts of exceptional patient care.

Her commitment to service has also been deeply influenced by the loss of her sister and nieces in 2017. According to Alshibani, continuing a legacy of compassion and community service has become a meaningful part of both her personal and professional life, inspiring her dedication to helping others through dentistry and charitable work.

Canadian Choice Award celebrates businesses across Canada that demonstrate excellence in customer service, innovation, and community impact. Aldershot Village Dental's recognition reflects its commitment to compassionate care, patient advocacy, and creating positive dental experiences for individuals and families.

About Canadian Choice Award

Canadian Choice Award is a trusted symbol of business excellence across Canada. Each year, it celebrates businesses that stand out for their innovation, dedication, and positive impact, honouring the businesses Canadians know, trust, and support most. The organization is driven by a passion for supporting small and medium-sized businesses and helping them gain meaningful recognition within their communities.

With a growing national presence and an expanding vision, Canadian Choice Award continues to evolve its platform to serve both businesses and consumers better. The organization is actively exploring new initiatives to deepen engagement, strengthen community connections, and create additional opportunities for Canadian businesses to grow and be discovered.

About Aldershot Village Dental

Founded in 2021, Aldershot Village Dental is a Burlington, Ontario-based dental practice providing comprehensive, patient-centred dental care. Led by founder Dr. Rasha Alshibani, the practice focuses on preventive dentistry, patient education, and creating a supportive environment for seniors, individuals with dental anxiety, and neurodiverse children and adults. Through compassionate care, extended appointments for patients requiring additional support, and ongoing community involvement, Aldershot Village Dental is committed to helping patients achieve lifelong oral health in a welcoming and inclusive setting.
