Local Hive™ Honey

- **Original Hot Honey:** Made with raw and unfiltered honey as the #1 ingredient – not highly processed, foreign honey from unknown beekeepers – and balanced with classic jalapeño heat, the versatile condiment can be used to glaze grilled meats and vegetables, mix into cocktails, or drizzle over pizza, biscuits, and fried chicken. Available in ½-gallon buckets and 9oz bottles.
- **Original Honey Hot Sauce:** 100% American honey is paired with red jalapeno, tangy white distilled vinegar, and savory garlic and onion for a subtle kick that's ideal for brushing over chicken or vegetables, drizzling over egg

dishes, or adding to sandwiches and bowls. Available in ½-gallon buckets and 6oz bottles.

- **100% U.S. Raw & Unfiltered Honey:** Designed to offer guests a premium tabletop sweetener, Local Hive™ 100% U.S. Honey is gently strained to retain its natural pollen and nuanced floral flavor. Sourced exclusively from American beekeepers, it's available in [12oz Honey Bear](#) bottles and [single-serve packets](#) for front-of-house use, as well as 80oz jugs for higher-volume needs.

“We’ve been in the honey business for more than 100 years and take great pride in the relationships we’ve developed with our beekeepers and the high-quality products we bring to market,” said Cale Nelson, chief commercial officer of Local Hive™. “As the #1 honey brand in
