

MAP Announces 21st Annual Presidential Award Winners

The common denominator to their success? The MAP Management System™.

NEWPORT BEACH , CA, UNITED STATES,
August 25, 2026 /EINPresswire.com/ --

In today's news, there's significant publicity around what leaders aren't doing right. So, it's more important than ever to push through that noise and spotlight those making significant, sustainable strides toward leadership

and business achievements. That's why MAP, a management consulting firm founded in 1960, is proud to announce the recipients of its 21st Annual Presidential Awards.

This year's MAP Presidential Award celebrates the excellence of a highly diverse group of leaders who are demonstrating extraordinary dedication to leading themselves, their teams and their organization. From a rugged phone-case manufacturer to a wealth-management firm and a fiber-optic infrastructure provider, these and the other recipients run the gamut in terms of what their companies represent. However, they all share something in common: successfully implementing the MAP

Management System™ to achieve breakthrough results.

A proven business-management solution, the MAP Management System™ leverages customized consulting and MAP's accountability process to execute Vital Factors®. Each award winner has capitalized on the system to develop highly capable, accountable business cultures and become drivers of profitability and other key measures of success.

"Winning the Presidential Award is a reflection of an entire organization embracing the MAP System and using it to accelerate the growth of their people and their company," says Michael Caito, CEO of MAP, the Newport Beach, California-based firm that has helped more than 170,000 leaders in over 15,000 organizations over the past 66 years. "Congratulations to this year's winners on this well-earned recognition."

The Presidential Awards criteria include:

- Implementation of the MAP Management System™ throughout the organization;
- Significant improvement in company Vital Factors®, the critical elements that sustain business growth;
- Establishment of consistent, effective leadership that provides clear company direction;
- Reinforcement of company values through consistently “walking the talk”; and
- Demonstration of the overall, hard work of its executives, management and employees.

MAP's Presidential Award winners receive recognition from MAP's leadership and consulting team, media/public acknowledgement, and mentions through MAP's website and cutting-edge communications. The winners include:

- Burns & Partners, Inc. (dba Burns Environmental Services)
- CEC Facilities Group, LLC
