LOS ANGELES, CA, UNITED STATES, August 25, 2026 /EINPresswire.com/ -- Freestyle Digital Media, the digital film distribution division of Byron Allen's Allen Media Group, has just released the

horror comedy feature TOMORROW, YOU PRETTY GHOST -- now available on North American digital HD internet, DVD, cable, and satellite platforms starting August 25, 2026.

“

This is a sincere film about insincere people. It's a labor of love made for as little as possible, and a calling card for the types of stories we'd like to tell in the future.”

Filmmakers Alex Morand and Rocky Pajarito

TOMORROW, YOU PRETTY GHOST tells the story of theater kids Haley and Chas, prone to playing elaborate tricks on their pals. They decide to pull off one last prank before graduation that has grim consequences for their friend group. A horror story about keeping in touch with your high school friends, TOMORROW, YOU PRETTY GHOST is a

tense examination of yearning, guilt, and ironic detachment.

Written and directed by Alex Morand and Rocky Pajarito, TOMORROW, YOU PRETTY GHOST was produced by Vincent Wang, Abigail Sims, Alex Morand and Rocky Pajarito. Featured actors include: Abigail Sims ('Haley'), Everardo Barriga ('Chas') and David Brown ('J.D.').

“This is a sincere film about insincere people. It's a labor of love made for as little as possible, and a calling card for the types of stories we'd like to tell in the future: careful character studies about identity and relationships that don't give any easy answers.”

Freestyle Digital Media negotiated a deal to acquire TOMORROW, YOU PRETTY GHOST directly with the filmmakers.
