

Custom Wrap Design Offers Custom Car Wrap Design, PPF and Vinyl Color Change in Miami

Custom Wrap Design provides custom car wrapping, paint protection film and vinyl color change services to vehicles throughout Miami, FL.

MIAMI, FL, UNITED STATES, August 22, 2026 /EINPresswire.com/ -- Custom Wrap Design (CWD), a full-cycle vinyl wrapping and vehicle graphics company with more than 14 years in business, continues to serve car owners throughout Miami and South Florida with custom car wrapping design, paint protection film, and vinyl color change services.

Led by CEO Vitali Markau, Custom Wrap Design works with premium vinyl brands including 3M, Arlon, Oracal, Hexis, and Avery Dennison, and is a factory-trained XPEL installer as well as a certified Inozetek and UASG installer. The company is trusted by dealerships and dealer groups such as Prestige Imports, Lamborghini Miami, Holman, and Mercedes-Benz, and offers services in English, Spanish, and Russian.

“

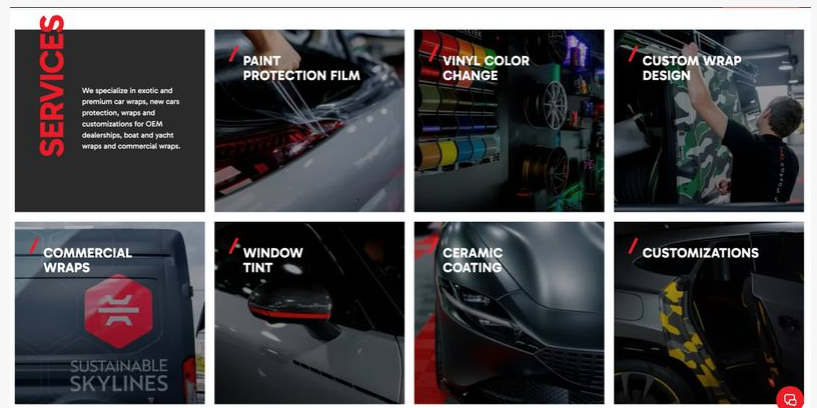

We don't sell wraps, we give emotions — every vehicle should feel brand new when it leaves our garage.”

Vitali Markau, CEO, Custom Wrap Design

and all external elements are wrapped for a factory-finish look, backed by a 1-year warranty and 100% satisfaction guarantee.

For drivers in Miami looking to transform their vehicle's appearance, Custom Wrap Design creates full and partial vehicle wraps in any color or finish, including chrome, matte, satin, carbon fiber, and brushed metal. Every wrap includes full parsing of the vehicle, meaning door jambs

[Paint Protection Film in Miami](#)

To protect a vehicle's factory paint from rock chips, road debris, and everyday wear, Custom Wrap Design installs paint protection film (PPF), including colored, matte, and satin PPF options. As a factory-trained XPEL installer, the company applies film using industry-leading materials and techniques designed to keep a vehicle's finish looking new for years.

For drivers who want a new look without a permanent paint job, Custom Wrap Design offers full vinyl color change wraps, including matte and satin finishes. A vinyl color change lets owners completely transform their vehicle's appearance while protecting the original paint underneath, with the option to revert back to the factory color later.

Custom Wrap Design also offers commercial wraps and fleet branding, vehicle graphics and lettering, window tint, ceramic coating, chrome delete, and boat and yacht wraps, serving car owners across Key Biscayne, Coral Gables, Miami Beach, Pinecrest, Doral, Aventura, and Brickell.

About Custom Wrap Design

Custom Wrap Design is located at 1962 NE 151st Street in North Miami Beach, FL, and has served the South Florida car wrapping community for more than 14 years. The company specializes in custom car wrap design, paint protection film, vinyl color change, commercial and fleet wraps, window tint, ceramic coating, and vehicle customizations for personal, commercial, and exotic vehicles. The shop is open Monday through Saturday, 9 a.m. to 6 p.m.

Vehicle owners in Miami seeking custom car wrapping design, paint protection film, or a vinyl color change can request a free quote by calling (754) 666-7512 or visiting cwdwrap.com.
