

Express Asphalt Solutions Completes \$2 Million in Parking Lot Renovations for HCA Healthcare Hospitals in Florida

EAS completed \$2 million in parking lot renovations across three active HCA Healthcare hospital properties, prioritizing safety and access.

ORLANDO, FL, UNITED STATES, August 24, 2026 /EINPresswire.com/ -- Express Asphalt Solutions (EAS), a Florida [commercial asphalt paving](#) and parking-lot services company, today announced it has completed more than \$2 million in parking lot renovation work across multiple HCA Healthcare hospital properties within the past year.

The projects included comprehensive pavement-renovation services designed to improve the safety, appearance, traffic flow, and long-term performance of each hospital's parking areas and drive lanes. Work was carefully coordinated around active healthcare environments to help minimize disruption for patients, visitors, staff, emergency access, and daily hospital operations.

"Completing these renovations across three HCA Healthcare hospitals is a major accomplishment for our team and a reflection of the trust our commercial clients place in Express Asphalt Solutions," said Phil Bocook CEO of Express Asphalt Solutions. "Healthcare paving projects require planning, communication, and precision. Our focus was to deliver durable, professional results while keeping each facility accessible and operating smoothly throughout the work."

EAS provided parking-lot renovation services tailored to the needs of each property, which may include asphalt repair, milling and resurfacing, pavement restoration, sealcoating, parking-lot

striping, traffic-control coordination, and accessibility-related markings.

With three years of experience serving commercial and residential clients across Florida, Express Asphalt Solutions supports businesses, property managers, contractors, and institutional facilities throughout Tampa, Orlando, and surrounding areas. The company specializes in [asphalt paving and repair](#), sealcoating, parking-lot striping, and pavement-maintenance solutions.
