Harvest Smart Farms:

«Многие люди считают, что если человек не имеет высшего образования, то он не может быть успешным. Однако это не так. Успех зависит от многих факторов, включая трудолюбие, креативность и умение работать в команде. Многие люди без высшего образования достигли больших успехов в бизнесе, спорте и искусстве. Поэтому не стоит ограничивать себя из-за отсутствия диплома. Важно развивать свои таланты и стремиться к своим целям.»

«Қазақстанның тарихындағы ең маңызды кезеңдердің бірі – ежелгі дәуірлерден бастап, орта ғасырларға дейінгі кезеңдер. Осы кезеңдерде қазақ халқы өзінің мәдениетін, тілін, салт-дәстүрін сақтап, дамытып келеді. Бұл кезеңдер қазақ халқының өзінің тарихын, өзінің елінің тарихын білгендігінің белгісі. Осы кезеңдерді зерттеу, оларды қайта жаңғырту, оларды қайта өмірге келтіру – бұл біздің қазіргі тапсырымымыз. Осы кезеңдерді зерттеу, оларды қайта жаңғырту, оларды қайта өмірге келтіру – бұл біздің қазіргі тапсырымымыз.»
