ELKHART, IN, UNITED STATES, August 25, 2026 /EINPresswire.com/ -- Dec-O-Art will make its first appearance as an exhibitor at the 2026 NATDA Trailer Show, September 1-3 at Music City Center in Nashville, Tennessee. The company will showcase its USA250 label at Booth #943.

Created to celebrate America's 250th anniversary, USA250 labels give dealers and manufacturers a simple, visible way to recognize the historic milestone on products.

During the show, Dec-O-Art will offer a complimentary 100-pack of USA250 labels to attendees who give the company an opportunity to quote a project. The offer is limited to one pack per company.

The USA250 labels have already helped manufacturers celebrate the nation's semiquincentennial with their customers. Utilimaster purchased 10,000 USA250 labels, distributing them to customers, employees, and trade show attendees throughout the year. "This was a great, simple way to celebrate the milestone, and share a little something with our customers," said Teresa Falk, Senior Aftermarket Administrations Manager. "We had a few customers thank us for the labels."

Attendees can visit the Label Experts at Booth #943 to discuss their compliance, branding, and product-identification needs. Companies may also request a quote by completing the form on Dec-O-Art's contact page.

Dec-O-Art first joined NATDA in 2015 and renewed its membership in 2025. The company looks forward to meeting trailer dealers, manufacturers, and other industry professionals at the show.
