ARLINGTON, TX, UNITED STATES, August 24, 2026 /EINPresswire.com/ -- The Leaders Institute® is honored to announce that it has won the prestigious [Best Corporate Team Building Specialists 2026](#) award for its outstanding service in the corporate team building industry. The Leaders Institute® pioneered the charity team building event industry with its first Build-A-Bike® event. Since then, its clients have donated more than \$10 million worth of bicycles to kids all over the world.

“

We had no idea how big this would get. The whole group was laughing and having fun. Then, a group of local kids rushed through the ballroom doors to get a new bike. There wasn't a dry eye in the room.”

Doug Staneart

"We had no idea how big this would get," said Doug Staneart, CEO of The Leaders Institute. "I still remember that first Build-A-Bike® more than twenty years ago. We had the whole group laughing and interacting with each other. Then, at the end, we had a group of kids from the local Camp Fire organization come rushing through the ballroom doors to get a new bike. There wasn't a dry eye in the room."

Today, charity team activities are a standard request from corporate meeting planners. The company now runs

several events that each donate items to a local charity or to children in the host city. Build-A-Bike®, the Ace Race®, and Rescue Bear® are the most requested.
