

Aptia's U.S. Health Learning Academy Earns Five Brandon Hall Group Excellence Awards

Aptia's U.S. Health Learning Academy Earns Five Brandon Hall Group Excellence Awards

BOSTON, MA, UNITED STATES, August 25, 2026 /EINPresswire.com/ -- [Aptia](#), a leading provider of employee benefits and pensions administration, today announced that its U.S. Health Learning Academy has been honored with five Brandon Hall Group Excellence Awards, including one Gold, three Silver and one Bronze. The awards mark continued growth and recognition by the Brandon Hall Group of Aptia's work.

The Brandon Hall Group Excellence Awards recognize organizations that have successfully deployed programs, strategies, modalities, processes, systems and tools that have achieved measurable results. Aptia's U.S. Health Learning Academy designs and delivers training for colleagues across the United States and India, building the capabilities that support the company's benefits administration clients and their employees.

“

Learning is how we turn our people into the difference clients feel every day. These awards reflect a team that builds training around real business needs and real client outcomes, not around theory.”

Kerry Donoghue, Chief Operating Officer at Aptia

Aptia was recognized in the following categories:

- Gold, Best Use of Blended Learning, for the Active Benefit Counselor New Hire program
- Silver, Best Learning Program Supporting a Change Transformation, for the program supporting delivery of Primary Care Clinician
- Silver, Best Use of Blended Learning, for ServiceNow rollout training
- Silver, Best Certification Program, for the Instructional Design and eLearning program built to develop skills within Aptia's own learning team
- Bronze, Best Unique or Innovative Learning and Development Program, for the Client Delivery OE training

program

“Learning is how we turn our people into the difference clients feel every day. These five awards reflect a team that builds training around real business needs and real client outcomes, not around theory.” said Kerry Donoghue, Chief Operating Officer at Aptia.

“I am incredibly proud of this team. Every one of these programs started with a question about what our colleagues needed to serve clients better, and the results speak for themselves,” said Jenifer Sellon, Learning Academy Leader at Aptia.

The awards recognize work delivered across new hire onboarding, technology rollout, transformation support and internal capability building, reflecting Aptia's continued investment in colleague development as the business grows.

About Aptia

Aptia is a trusted provider of employee benefits and pensions administration services, with offices in the U.K. and U.S., supported by shared services in India and Portugal. It manages programs covering over 6 million people and more than 1,100 clients.
