

Baltimore Rapper Flatline Forreal Unleashes Uncompromising Sophomore Album No Remorse

Executive produced by DaveOsBeatz, the 8-track project features Matty Boy, LVIS300, Menace Monroe, and more.

BALTIMORE, MD, UNITED STATES, August 24, 2026 /EINPresswire.com/ -- Baltimore rapper [Flatline Forreal](#) has returned with his sophomore solo album, [No Remorse](#). The 8-track project is available now on all major streaming platforms, including Spotify and Apple Music.

Los Angeles-based cultural venture studio [Inspyred](#) handled the design and strategic rollout for the album. The album follows a busy 2025 for Flatline, which included the October drop of his collaborative Sliders EP with Matty Boy. While that project highlighted his joint efforts, No Remorse puts the spotlight directly back on Flatline as a solo artist.

No Remorse is executive produced by DaveOsBeatz, who also produced five of the album's eight tracks. His production provides a consistent sound throughout the project while allowing each track to stand on its own. The album also brings together a dynamic lineup of collaborators including Matty Boy, LVIS300, Menace Monroe, Big Fat, YND Bizzy, YND Chubs, Tae Kalz, Y1, and Foebrazy.

The title No Remorse reflects the direct, uncompromising mindset Flatline Forreal brought to the recording process. Drawing on his Baltimore roots and personal experiences, the album focuses on forward momentum and artistic growth without sacrificing the authentic sound that built his

career.

No Remorse is out now everywhere digital music is sold and streamed.

About Flatline Forreal

Born and raised in South Baltimore, Flatline Forreal is an independent hip-hop artist bringing back the raw storytelling and grit of late-90s and early-2000s rap icons like Young Jeezy, DMX, and Lil Wayne. Turning to the studio at age 14 to channel his environment into music, he refined his sound during stays in Southern California and New York before opening for major acts like Migos, Rae Sremmurd, and Nipsey Hussle. Following his breakout debut 90s Baby and his collaborative album Sliders with Matty Boy, Flatline Forreal is making his biggest statement yet with No Remorse.

No Remorse is about moving forward unapologetically. Doing whatever needs to be done, at any and all costs, with no sorrow or feelings of regret. No more what ifs, just persistence and patience.”
