

Caribbean Fashion Collective Announces S/S 27 NYFW Showcase with the Meatpacking District

CFC Return To NYFW For SS27

NEW YORK, NY, UNITED STATES, August 25, 2026 /EINPresswire.com/ -- Caribbean Fashion Collective (CFC), powered by CFC Foundation, will present its Spring/Summer 2027 New York Fashion Week runway showcase on Thursday, September 10, 2026, at 5:00 PM sharp. Presented in collaboration with the Meatpacking District, the show will transform Little West 12th Street into an outdoor runway celebrating Caribbean creativity, cultural expression and the next generation of fashion talent.

Listed on the CFDA Fashion Calendar, the presentation will bring designers, models, industry professionals, media, cultural leaders and community supporters together in one of New York City's most recognizable fashion and design neighborhoods. The collaboration reflects CFC's commitment to creating high-visibility opportunities that place Caribbean and underrepresented designers within the broader global fashion conversation.

"This presentation is about more than fashion—it is about creating access, visibility and meaningful opportunities for designers whose voices deserve to be seen on a global stage. Bringing the runway to Little West 12th Street allows us to celebrate Caribbean creativity in a bold, public and distinctly New York way," said Xavier Walker, Founder and CEO of Caribbean Fashion Collective.
