

United Sacramento Mobile Int, Thanks Donors and Fundraising Partners for Housing & Creative Programs Serving the Unhoused

MIAMI-DADE, FL, UNITED STATES, August 25, 2026 /EINPresswire.com/ -- United Sacramento Mobile Int Inc. (USMI), a Florida-based 501(c)(3) nonprofit, is thanking a growing community of donors, fundraisers, and fundraising groups whose support is helping turn a bold vision into reality: buildings that don't just house people, but help them rebuild their lives.

USMI's mission is simple and urgent — acquire properties and convert them into safe, dignified housing for individuals experiencing homelessness, with at least 70% of units offered free or sponsored. Every property becomes more than a roof. Alongside housing, USMI activates each facility with hands-on programming in music, culinary arts, film, and painting — creative pathways that build skills, confidence, and community for the people we serve.

This week, USMI is seeing real momentum, with a wave of new donations arriving and more expected in the days ahead. Every gift moves us closer to opening doors — literally — for individuals who need stability, opportunity, and a place to belong.

A Note on Privacy

Donors who contribute \$100,000 or more should expect to be publicly recognized in future USMI press releases celebrating their generosity and impact.

If you'd prefer to remain anonymous, simply have your fundraising representative notify us, or email us directly — we will honor every request without exception.

Our Thanks

To every donor who has given or is considering a gift, to every fundraising representative, and to every fundraising group opening doors to your donor networks on our behalf — thank you. You are the reason USMI can keep building toward a future where housing and creative opportunity go hand in hand.

We look forward to sharing more updates as this momentum turns into open doors, new residents, and thriving programs.
