

ATC Healthcare Services Named a Largest Healthcare Staffing Firm in the United States by Staffing Industry Analysts

Healthcare staffing leader ranked No. 40 nationally in SIA's 2026 list of the Largest Healthcare Staffing Firms

LAKE SUCCESS, NY, UNITED STATES,
August 25, 2026 /EINPresswire.com/ --

ATC Healthcare Services, a leading [healthcare staffing](#) company and franchise organization, has been named one of the Largest Healthcare Staffing Firms in the United States, earning the No. 40 ranking on Staffing Industry Analysts' (SIA) 2026 list.

“

Healthcare staffing is an essential industry, and the demand for qualified healthcare professionals continues to create significant opportunities for the companies equipped to serve this market,”

*Stephen Savitsky, Co-Founder
of ATC Healthcare Services*

The recognition underscores ATC Healthcare Services' continued growth, national reach, and longstanding commitment to connecting qualified healthcare professionals with organizations that depend on exceptional talent to deliver quality care.

Founded in 1985 by brothers David and Stephen Savitsky, Over more than four decades, the company has grown into an established national healthcare staffing and franchising organization, bringing its proven staffing model to 60+ territories across the United States. “Being recognized by Staffing Industry Analysts for over a decade and once again

as one of the nation's largest healthcare staffing firms is a tremendous achievement for our entire organization,” said David Savitsky, Co-Founder of ATC Healthcare Services. “It reflects the dedication of our franchise owners, employees, recruiters, and healthcare professionals who work every day to help healthcare organizations meet their staffing needs. We are proud of how far ATC has come—and even more excited about where we are going.”

The U.S. healthcare industry continues to face significant workforce challenges, creating sustained demand for reliable, specialized staffing solutions. ATC Healthcare Services serves a broad range of healthcare organizations, including hospitals, medical groups, residential care programs, public health departments, public school systems, and municipal governments.

ATC's growth is supported by a comprehensive infrastructure designed to help franchise partners compete effectively in their local markets. Franchisees benefit from national relationships, proprietary technology, recruiting and marketing resources, operational support, payroll funding, billing and collections assistance, insurance support, contract management, and ongoing guidance from ATC's experienced support team. "Healthcare staffing is an essential industry, and the demand for qualified healthcare professionals continues to create significant opportunities for the companies equipped to serve this market," said Stephen Savitsky, Co-Founder of ATC Healthcare Services. "Our franchise model allows entrepreneurs to leverage ATC's decades of healthcare staffing experience while building businesses in their own communities."
