

FHAS Achieves HITRUST e1 Certification, Demonstrating Commitment to Cybersecurity and Information Protection

Validates that FHAS meets the most rigorous, proactive cybersecurity, data protection, and risk management standards

WILKES-BARRE, PA, UNITED STATES,
August 26, 2026 /EINPresswire.com/ --
[Federal Hearings and Appeals Services, LLC \(FHAS\)](#), a nationally recognized

provider of independent medical review, utilization management, appeals, and dispute resolution services, today announced it has earned certified status from HITRUST for cybersecurity and information protection.

“

Our stakeholders expect credible, validated assurance of our ongoing commitment to protecting data, managing risk and maintaining the trust of those we serve.”

James Bobeck, Esq., CEO, FHAS

The HITRUST e1 Certification demonstrates that FHAS has met requirements defined by a leading cybersecurity assurance leader, confirming that strong controls are in place to protect sensitive data and manage risk effectively.

This achievement reflects independent third-party testing, centralized quality assurance, and certification backed by HITRUST’s Cyber Threat-Adaptive engine. These elements ensure continuous alignment with the latest threat intelligence and evolving standards across NIST, ISO, and

OWASP.

“Our stakeholders expect credible, validated assurance of our ongoing commitment to protecting data, managing risk and maintaining the trust of those we serve,” said James Bobeck, Esq., CEO, FHAS.

Gregory Webb, CEO at HITRUST noted, “Earning HITRUST Certification demonstrates FHAS’s commitment to managing information risk and protecting sensitive data through a rigorous,

proven assurance process. Achieving this certification reflects FHAS's proactive approach to cybersecurity and trust."
