

Dress for Every Occasion: Friar Tux Shares How to Build a Versatile Wardrobe

From Everyday Navy to Statement-Making Sage, Key Suit Styles Offer a Foundation for Fall and Beyond

ANAHEIM, CA, UNITED STATES, August 26, 2026 /EINPresswire.com/ -- From business meetings and networking events to weddings and holiday celebrations, fall brings a full calendar of occasions that call for a polished look. Drawing on more than 50 years of formalwear expertise, [Friar Tux](#) recommends having a few go-to suits that can adapt to a variety of settings across seasons.

Rather than purchasing clothing for a single event, quality suiting can provide long-term value. Swapping a dress shirt, tie or shoes can give the same suit a different feel, allowing men to get more wear out of the pieces already in their wardrobe.

From classic neutrals to bolder colors, Friar Tux highlights four options suited to a range of needs and preferences:

Navy: The Everyday Essential

For men purchasing their first suit, the Navy Stretch Suit Separates are a strong starting point. Navy can be dressed up or down and works well for year-round wear.

Charcoal: The Professional Classic

The Charcoal Stretch Suit Separates are ideal for business settings, conferences and presentations that call for sophisticated attire. Charcoal can also transition easily into evening events.

Black: The Formal Favorite

When a more elevated look is called for, the Black Stretch Suit Separates are a natural choice for formal dinners, evening weddings, cocktail events and other celebrations.

Sage Green: A Modern Statement

The Sage Green Stretch Suit Separates offer a fresh alternative to traditional neutrals, adding personality for outdoor celebrations and seasonal events. For those considering other shades, the collection also includes Cobalt Blue, Tan and Khaki.

Customers can use the brand's [Try-On with AI](#) experience to preview styles online or schedule a complimentary virtual or in-store appointment for personalized guidance. The collection is available in an inclusive range of sizes, including 34S-52S, 36R-62R and 38L-58L.

When the Occasion Calls for a Tuxedo

For men who regularly attend black-tie weddings, galas, charity events and other formal celebrations, owning a tuxedo can be a practical alternative to renting for each event, ensuring they always have the right formalwear on hand.

Whether [purchasing a suit](#) for regular use or investing in a tuxedo for life's most formal occasions, Friar Tux offers an extensive collection of suits and tuxedos available for both purchase and rental.
