La Jolla Plastic Surgeon Named Among 'America's Best Plastic Surgeons' in 2026 by Newsweek® Magazine

Dr. Scott Miller, an aesthetic plastic surgeon in San Diego, was named one of "America's Best Plastic Surgeons" by Newsweek® in the facelift specialty.

SAN DIEGO, CA, UNITED STATES, August 26, 2026 /EINPresswire.com/ -- As demand for plastic and reconstructive surgery continues to soar, leading data and business intelligence agency Statista® releases an annual ranking of the country's most elite plastic surgeons in the country. Documented in a consumer guide known as "America's Best Plastic Surgeons," this collection of providers is assessed based on a combination of peer surveys, quality-of-care scores, and certification scores, resulting in a comprehensive list of the most highly recommended plastic surgeons in the nation across six categories: breast augmentation, eyelid surgery, facelift, liposuction, rhinoplasty, and tummy tuck.

Dr. Scott Miller, a La Jolla-based aesthetic plastic surgeon, was recently named one of "America's Best Plastic Surgeons" for his specialty in facelift surgery, making 2026 the third consecutive year Dr. Miller has received this recognition for his facelift results.

Published in national publication Newsweek® magazine, the "America's Best Plastic Surgeons" rankings help patients across the country identify the most reputable and trusted plastic surgeons on a regional and national level. Not only was Dr. Miller honored for the year of 2026, but he was also ranked for excellence in facelift surgery in 2024 and 2025 respectively. As a longtime provider of aesthetic plastic surgery for the San Diego community, this recognition further compounds his standing as "Best Cosmetic Surgeon in San Diego" by San Diego Reader as well as a Castle Connolly Top Doctor®.

Dr. Miller's award-winning approach to facelift and neck lift surgery is documented in his best-selling book, "Authentic Beauty," which explores the nuances of achieving naturally beautiful results in facelift surgery, tummy tuck, and breast augmentation, as well as the other face,
