SAN DIMAS, CA, UNITED STATES, August 25, 2026 /EINPresswire.com/ -- [Landscape Durable Tires](#) and San Dimas Tire Pros are joining forces to host [Treads & Tails: A Community Pet & Road Safety Day](#), a free event featuring off-road vehicles, car clubs, comedians, a DJ, free food, dog activities, raffles and giveaways.

Treads and Tails San Dimas

The event will take place Saturday, Aug. 29, from 9 a.m. to 1 p.m. at Landscape Durable Tires and neighboring San Dimas Tire Pros, located at 615 W. Terrace Drive in San Dimas.

“

We want people to come for the cars, comedy, music, free food and prizes—and leave knowing how to protect their pets and keep their vehicles safer on the road.”

*Joe Acosta, Marketing
Director, Landscape Durable
Tires*

Treads & Tails was created to bring the community together while raising awareness about pet and vehicle safety during Southern California’s intense summer heat. Hot weather can create serious dangers for pets left inside parked vehicles while also putting added stress on tires that are underinflated, worn or damaged.

Attendees will receive practical reminders about never leaving pets unattended inside parked vehicles, protecting paws from hot pavement and preparing pets for safe road travel. Drivers can also learn why tire pressure, tread condition and routine tire inspections become especially

important during extreme heat.

“We want people to come for the cars, comedy, music, free food and prizes—and leave knowing something that could help protect their pets and keep their vehicles safer on the road,” said Joe

Acosta, Marketing Director for Landscape Durable Tires. "As the company creating the durable-tire category, we believe durability means protecting what matters and being prepared for the road ahead."

The free event will feature comedy performances, DJ entertainment, off-road vehicles, car club displays, a dog-training demonstration from Sit Means Sit, the Ontario Tower Buzzers' branded lowrider, pet activities, automotive displays and opportunities to learn about tire and road safety.

Guests can also enjoy free food while supplies last, event-only tire opportunities and numerous vendor giveaways, raffle prizes and free raffle tickets.

Some of the participating organizations include Landscape Durable Tires, San Dimas Tire Pros, the Ontario Tower Buzzers, Sit Means Sit Dog Training, Pet Food Express, Cordero's Tires, Lazy Dog Restaurant & Bar and Crumbs & Roast Coffee Roasters of San Dimas.

Landscape Durable Tires will showcase its durable tires for trucks, SUVs and passenger vehicles, including its all-terrain, rugged-terrain and mud-terrain lines. The company is building a new category around tires engineered for extreme durability and its promise of "Less Wear, More Miles."

San Dimas Tire Pros will bring local automotive expertise, car-club participation and tire and vehicle-service opportunities to the event.

Admission is completely free. Attendees can register for the event and receive raffle-ticket information through Eventbrite:
