

EverGuard Roofing Gives Back to New Mexico Children, Donations on Track to Surpass 2025

Donations on Track to Surpass 2025

ALBUQUERQUE, NM, UNITED STATES, August 26, 2026 /EINPresswire.com/ -- EverGuard [Roofing](#) is continuing its commitment to New Mexico families in 2026, with \$12,000 donated this year so far, to organizations that support children with disabilities and unique needs across the state.

In this year's remaining months, EverGuard's 2026 charitable [giving](#) is on pace to exceed the \$16,000 the company donated in 2025.

EverGuard's team hand delivered its most recent installment of checks to each organization, stating that doing so gives their team an opportunity to stay connected to the people they're supporting.

Their contributions have supported four New Mexico organizations whose work uplifts children and their families who need it most:

“

It just feels right to give something back to our community with each project. These organizations are making an undeniable impact...”

Everguard Gives Program Donates 100 Dollars to Local Charities for every completed roofing project

* Basket of Hope:

Delivers gifts and encouragement to children facing serious illnesses and their families.

* [One of a Kind Kids](#):

Provides a welcoming space for New Mexico children with special needs and the families who care for them.

* Carrie Tingley Hospital Foundation:

Helps children with disabilities and complex medical needs receive equipment, programs and resources to improve

* Casa Angelica:

Provides a loving home and specialized care for children with profound developmental disabilities.

EverGuard's support has also extended beyond its scheduled giving. In spring 2025, a break in at Carrie Tingley resulted in the theft of 17 adaptive wheelchairs for their children's wheelchair basketball program. After hearing what happened, EverGuard President Dave Simmons wrote an additional \$3,000 check toward replacing them, which was a contribution that came on top of the company's regular giving that year.

"You hear that somebody took wheelchairs from kids and there's not much to think about. We just wanted them replaced fast." - Dave Simmons

For EverGuard Roofing, the donations are part of an ongoing effort to make the company's growth correlate to a greater impact in the community it has served for over two decades.

"It just feels right to give something back to our community with each project." said EverGuard's President, Dave Simmons "These organizations are making an undeniable impact and we're proud we have resources to contribute to their work."

EverGuard has made local charitable giving a continuing part of its company culture, focusing much of its support on local organizations serving kids in need. As the company completes additional roofing projects through the remainder of 2026, its charitable contributions will continue to grow. The company anticipates continued giving through the remainder of the year.
