

GABBY B EXPANDS THE WORLD OF FUNKLÂNDIA WITH FUNKLÂNDIA: ROOTED DELUXE

The expanded project adds five tracks, including Brazilian phonk, an English version, a remix and "BOTADINHA," featuring Brazilian funk artist Cacau Chuu.

MIAMI, FL, UNITED STATES, August 28, 2026 /EINPresswire.com/ -- [Gabby B](#) is expanding the world of Funklândia with Funklândia: Rooted Deluxe, a new chapter in the project that further explores the intersection of Brazilian funk, global pop and emerging sounds from Brazil's evolving music scene. Building on her Funklândia: Rooted project, the deluxe edition continues Gabby's vision of bringing Brazilian funk into a global pop space while exploring new sounds, collaborations and fresh interpretations of songs from the original release.

The expanded project adds five tracks to the Funklândia: Rooted universe, including two records influenced by Brazilian phonk, an English-language version, a remix and a major new Brazilian funk collaboration.

With Funklândia: Rooted Deluxe, Gabby continues to draw from the sounds at the center of Brazil's evolving music scene while connecting them with the international pop influences that have shaped her artistic identity.

The full deluxe arrives with four additional tracks that will be heard for the first time:

"Rebola a Bunda" A Brazilian phonk-inspired track that sees Gabby leaning further into the fast-

growing sound and energy coming out of Brazil.

“Toxic (Phonk Remix)” A fresh take on one of the original EP’s standout tracks, reworked through the darker, high-energy sound of Brazilian phonk.

“Nível Hard (English Version)” An English-language version of the Brazilian funk track that opens the song up to a broader audience while keeping the same attitude and energy as the original.

“Faz Assim (Remix)” A reworked version of the track that helped kick off the Funklândia era, giving the song a fresh feel while staying connected to the original.

Together, the new tracks expand the world of Funklândia, bringing Gabby’s Brazilian roots and global pop influences even closer together as she explores new sounds emerging from Brazil. More than an extension of the original project, Funklândia: Rooted Deluxe shows how the concept continues to evolve, creating a space where Brazilian rhythms, international influences and different languages come together naturally.
